which was organized last year under her leadership, was the first colored club in the state.

Mrs. Chas. Weathersby again urged members to subscribe to the Southern Garden magazine, and reported that an adequate list of shut-ins had been mailed to Mrs. Mittie Henley in Raleigh.

Mrs. Finch called attention to the State Garden School to be held in Wilmington Oct. 26, 27, 28, and urged that some members arrange to attend.

There was announcement of the flower show for the November meeting. Three prizes are offered as follows:

1. Best specimen chrysanthemums.
2. Best arrangement of chrysanthemums.
3. Best arrangement, any flower.

Twenty members were present and one new member, Mrs. Wallace Chamblee.

Delicious refreshments were served.

UNUSUAL WINDOW DISPLAY AT ZEBULON DRUG

The Zebulon Drug Store is observing National Pharmacy Week and as one feature has an unusual display in the north window. Among items shown are mortars and pestles; bottles of varying sizes, shapes and colors filled with liquids; prescription blanks; a wide range of antiseptics in different forms; roots of sarsaparilla, ginger, and gentian; henna leaves; bark of wild cherry, and cascara.

Many will find this window more attractive than the east one which is filled with Halloween articles; for Halloween comes but once a year, while one may get sick any time.

Colored Column

On Thursday night, Oct. 27, a program will be given at the high school sponsored by the Mothers Club. The Evering Four will sing. Come and hear them. They are on the air first and third Sundays. Admission will be five and ten cents. Special seats will be provided for white people.

The Mothers Club met at the home of Mrs. L. B. Foster last Thursday night when two former members were welcomed back by all present members. After the program and committee reports the hostess served cocoa and sandwiches, cake and ice cream. The next meeting will be with Mrs. T. B. Pretty November 3, when Mrs. E. V. Williams and Mrs. Foster will have charge of the program. All members are urged to attend.

The committee plans a Church rally the first Sunday in Novem-

ber. All choruses and quartets are cordially invited to come.

Mrs. J. A. Gresham has returned from attending the State Convention at Lumberton, and states that reports were fine. The next convention will be in Winston-Salem, 1939.
