THE SNOW

We are very glad to see the snow, And the different snow flakes we know

When the air is full of snow, We have a very pretty show.

Snow flakes, snow flakes fill the air.

Snow flakes, snow flakes everywhere.

With the snow birds here and there.

Make you think that winter is in the air.

Carl Bell Martin, Corinth-Holder.

SCOUTING

Being a member of the Boy Scouts of America does not only mean wearing the official uniform and badge, but it means you are a member of one of the most honorable organizations in the world for the development of character and moral standards of a boy. The main purpose of scouting is to make a better citizen of a member. Since its organization in 1910 Scouting has grown to be one of the prominent organizations to make better men of boys. In 1931 over five million boys were members and the membership is growing every year. Nearly half of the college men today have been Scouts. President Theodore Roosevelt once said, "The Boy Scout movement is distinctly an asset to our country for the development of efficiency, virility and good citizenship." Scouting is not only carried on in the United States, but is in 72 other civilized countries representing 91 per cent of the world's population. Scouting is now one of the main big forces making for world peace.

NINTH GRADE ENGLISH CLASS

The ninth grade English class is studying the debate for this year. Resolved: That the United States should establish an alliance with Great Britain.

Our class is studying this debate thoroughly, under the direction of Mr. Hartley. He has read us material on the matter, and we in return have taken notes and made outlines. We have drawn and studied maps to make the situation more clear.

Most of our time so far has been spent discussing the affirmative side of the question, but we expect to start on the negative soon.

After we have gotten all the material we can, we are to write a debate.

All the while we are to keep all our notes, and all the clippings we can find out of papers and magazines.

BOX PARTY

On Wednesday night November 23, 1938, I attended a box party given by the Missionary Society of Beulah Christian Church. Peanuts, candy, and ice cream were bought and served. A cake contest was held after this. Next in line was the sale of the boxes. Everyone enjoyed the party very much.

THANKSGIVING PARTY

There was a Thanksgiving party in the Log Cabin at Bethany church, November 25. Those who gave the party were the Intermediate boys and they invited the Intermediate girls.

There were twenty-three pres-

ent. After many games were played the boys served punch, four different kinds of cakes, grapes, and apples.

Everyone enjoyed being there, and we thanked the boys for giving us such a nice time.

CHAPEL EXERCISE

On Wednesday of last week Mr. Moser called all grades from four up to chapel, to make a short talk and sing some Thanksgiving songs together.

Mr. Moser's talk was centered around Thanksgiving. He said, "We, as American children should be thankful for the opportunity we have in America today. Other countries are fighting, and our country is free from war. We all can celebrate Thanksgiving together and be happy."

Miss Barrett led the songs with Miss Dunlap at the piano. All took part in the singing which was enjoyed very much. Each student went to classes with a smile.

SNOW PETALS

How contented is the world tonight. With a satin soft covering, and white.

Where yesterday clusters of green leaves,

Swayed gently in the breeze.

At dawn the leafless trees were bare,

By noon white petals filled the air.

At dusk the evergreens so softly sway.

And bid adieu to another day.

By Rebekah Watkins.

THANKSGIVING SERVICE

Thanksgiving Day quite a number of people assembled at the Zebulon Baptist church for an early morning service to express our gratitude and to thank God for the many blessings He has given us in the past. We all enjoyed a brief talk on Thanks by our pastor, Mr. Griffin.

Instead of speaking aloud the things for which we were thankful we had a session of silent prayer. At the close of the service we were given an opportunity to help those less fortunate than we. By so doing we were made to feel happier, for "It is more blessed to give than to receive." Another thing that made me feel happy was to have two of our former pastors and their wives worship with us.

GIRL SCOUTS

The Girl Scouts are becoming bigger and better each day. The Seniors were first under the leadership of Mrs. McIntire, but we are very sorry to say she has had to quit, and we are now being led by Miss Barrett. Junior scouts have been under the leadership of Mrs. P. F. Massey. We have several second class scouts and we hope to have many more soon. Those who are second class scouts are working hard to become first class members. Several girls have joined this fall and all who are interested please come on Wednesday immediately after school in the auditorium of Wakelon High.

For Thanksgiving we fixed baskets of fruit for the shut-ins of our community. For Christmas we are collecting toys and all who will bring old toys to any of the scouts or Miss Barrett it will be greatly appreciated, and this will enable us to play Santa to many more children.

"Including two campaigns in the Philippine Islands, I served in the United States army for 33 years," said George Morehouse. "I had suffered with a minor bronchial irritation due to colds for the past two years. Finally I got hold of a bottle of Mentho-Mulsion through a friend of mine, and it is the first preparation that ever gave me any genuine relief. So far as I am concerned, I think it is the best cough medicine I ever saw."

If you or any member of your family is suffering with a common cough, take the advice of this army veteran, go to your drug store at once and ask for Mentho-Mulsion, the combination of eight healing ingredients recommended by doctors everywhere.
