

WINTER SALE

Low Prices of Cotton and Tobacco this fall made our business poor. We have an immense stock on hand and in order to turn this merchandise into Cash we shall put on a 20 Day Sale. During this time prices will be reduced beyond any sale we have ever held. Because of extreme reductions in price we shall be unable to charge anything, but must sell for cash. After twenty days our prices and terms will be the same as before. If you need anything for the home, don't miss this big sale.
