## BEYOND THIS DOOR

Just a whiff of cinnamon and all the tropics come Trooping to my kitchen where the kettle sings. Geisha girls in samite, weaving to its hum; Jungle beast and sandalwood and furtive creeping things.

Laden camels lurching, bound for Singapore, Crawling serpent-wise black against the sand. Parakeets and cedarwood, betel nut and ore, Balm and spikenard from distant Samarkand.

Dusky damsels leaning lithe against a plinth, Harti-colored peacocks, casks of golden wine, Jasmine tea and ivory, fans and terebinth— Just a dash of cinnamon and all the East is mine!

## MANNS HOME FROM FLORIDA VACATION

Mr. and Mrs. H. E. Mann returned Monday from a week's vacation in Florida. On the trip they drove 2050 miles. The first night was spent in Savannah, Ga., the next in Miami. From there they went to West Palm Beach, Palm Beach, and Arcadia. One hotel in Miami charges \$25.00 per night, but Mr. Mann said they did not spend most of their time there! In driving across the state they drove 150 miles and passed three small towns and about three houses along the way. He said though the wind was blowing all the time yet the sun shone hot. The nights were cool and pleasant.

At one place they stopped and helped a man gather oranges for four hours, using step ladders. After gathering them, the oranges were washed and dried before being packed in crates. They may be bought at the orchard for \$1.00 per bushel.

This was the Mann's first trip to Florida. While enjoyable, Mr. Mann says he likes the mountains much better. Much of the journey is too monotonous, being quite like parts of Eastern Carolina, only few houses are seen and little farming done.

## A FEW VERSES ON TITHING (By Mrs. T. Y. PURYEAR)

We have a lesson next Sunday on tithing. I am glad for us to have this, for there are so many that do not believe in tithing.

There are such a few of us that give a tenth of all we have. The way I understand the Bible is what we give over a tenth would be our free will offering.

Read Leviticus 27:30—"and all the tithers of the land whether of the seed of the land or of the fruit of the tree is the Lord's."

To keep back the tithe was called robbery and brought a curse. Read Malachi 3:8-13. Some will say well that is from the Old Testament. Well, we understand that the New Testament was made in the midst of circumstances and religious customs that came from the Old Testament. The New Testament teaches proportionate giving, each man giving as he may prosper. 1 Cor. 16:2. In Malachi 3:10 "Bring ye all the tithes into the storehouse that there may be meat in mine house. And prove me now here with saith the Lord of hosts if I will not open you the windows of heaven and pour you out a blessing that there shall not be room enough to receive it."

In Luke 6:38—Give and it shall be given unto you. Good measure pressed down and shaken together and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

In our lesson next Sunday, Feb. 12, we are assured that all we give in the proper spirit will bring rich returns. The life that we have grows richer through sharing.

The gifts that count most cannot be bought with money. They are such as only Christians can give and they must come from hearts of faith and love.

Why I am writing this is because there are so many people who will read a paper instead of the Sunday School lesson, sometimes for curiosity, so I am asking all who read this to please read carefully the lesson for Feb. 12. I only name a few verses about tithing, there are many more; just read your Bible.

## THE FIRST LADY OF THE LAND

Mrs. Eleanor Roosevelt is approved by 67 per cent and disap-

proved by 33 per cent of the voters of the nation in the Gallup poll.

In Washington, where Mrs. Roosevelt is included in the "local news," the First Lady is rated much higher. It is a conservative estimate that Mrs. Roosevelt would get 90 per cent in her "home town," irrespective of the fact that her famous husband wouldn't do nearly as well.

The National Capital appears to regard Mrs. Franklin D. Roosevelt as the most outstanding "First Lady" in our country's history.
