

**POLECAT LEAGUE
MAY PLAY YANKS-
PHOO! IT STINKS!**

The Polecat League, composed of the Zebulon and Wendell playground teams, was very much unable to play a scheduled game Monday afternoon.

This game was to be played on the Wakelon diamond. However, when the Wendell team failed to show up, Mrs. Bell, coach, director, manager, etc., took the local stars over to the enemies' diamond.

There was no sign of a team at Wendell, either, so the playground boys from Zebulon were forced to take the game by default.

No definite time has been set for another game. Nearly every time the local talent organizes to defeat the Wendell nine, the Wendell nine is not to be found.

The Polecat League is called the fastest league in the nation by the teams who participate. They are now considering playing the New York Yankees for the world's championship on a winner-take-all basis.

This year more people have gone to see games played by this league than ever before. Thus far 37 people, excluding players, have seen the four games. Three pins have been taken in at the ticket box.

Watch this page next week for more news concerning games to be played by this league.

**TENNIS MATCH CAN
NOT BE PLAYED BE-
CAUSE OF NO CO-OP.**

Due to the lack of interest and of co-operation the tennis match scheduled with Wake Forest College has been called off.

It is still possible to have this match if the tennis players in this city will get together and have a tournament to select players. The Wake Forest team is prepared to play the locals.

If anyone is interested enough to want to play he is invited to give his name to the sports editor. If enough are interested, a tournament will be held to select players.

**HERE'S THAT GAL
AGAIN- MAKES 112**

Mary Margaret Finch, who was last week's champ, tied with Mrs. Raleigh Alford for first place in the women's division in bowling. Miss Finch places first or second every week. Both Miss Finch and Mrs. Alford scored 112.

H. C. Wade reted high with 135 in the men's division. Rom Moser came in a close second with 131. These scores were much higher than those last week.

Interest in bowling is growing as the bowlers become more skillful, and the participants are being divided into three classes. Those who roll the balls, those who bowl, and those who bowl well.

Batteries: Cobb, O'Quinn and Maynard; Martin, Brown and Walters.

RYAN HOMERS FOR VICTORY

Angier, June 20—Connie Ryan gave the Angier entry in the Tobacco State League a lead that was never relinquished. The game ended in Angier's favor, 8-3.

Carl Ray, Erwin pitcher from Mars Hill, issued two walks to Taylor and Dupree putting two men on base. Then Ryan homered.

Ryan led hitting for the day with a homer and two singles for four tries. Adolph Honeycutt collected two singles for four tries.

Norris and Woodrick shared Erwin honors. Each had a five hun-

dred percentage.

Ryan, Honeycutt, and Glover turned in classy fielding performances.

Angier	000	230	21x 8 10 3

Ray, Tew and Norris; Taylor and Maynard.

**ANGIER MAKES IT THREE
STRAIGHT**

Angier edged out a 5-4 win over the Zebbs Wednesday by making a run in their half of the ninth.

Led by Black and Dupree at the bat the winners took advantage of the Zebulon pitchers' generosity and added that to five hits for five runs.

Walters, Cloninger and McCall led Zebulon with .500 each.

Angier combined three walks, two hits, and an error for four runs in the sixth. Zebulon three

hits and two walks for two runs in the seventh.

Dexheimer walked and O'Quinn slammed him in for the winning run.

Batteries: Ripple and Parrish; Averitte and Morris.

**"I thought I knew
all about automobiles!"**

A LOT of folks have had their eyes opened wide by a ride in a 1939 Ford V-8. They just didn't realize how much more value and how many improvements we've put in this car the last few years.

Today's advanced Ford is a product of progressive engineering, fine materials and honest

construction. It is backed by an experience of building far more cars than anybody else in the world.

One ride in today's Ford — with its smooth 8-cylinder engine, stabilized chassis, hydraulic brakes — will prove it's the modern car in the low-price field.
