

Rocky Mount Fair Next Week

Rocky Mount, Oct. 19.—Everything is in readiness for the 22nd annual Rocky Mount Fair, and a record crowd is expected for the opening here Tuesday morning.

With the huge fairgrounds bustling with activity, Rocky Mount has already taken on a gay holiday spirit, and the town stands ready to welcome thousands of visitors.

Mrs. Norman Y. Chambliss, resident manager, said today that nothing had been left undone to make the exposition the best ever held in this section.

There'll be "jitterbugging aplenty" and Wayne Whitley, Jr., of Rocky Mount has charge of the arrangements for the Jitterbug Contest Wed. night. Prize will range from \$5. A similar contest for Negroes will be staged on Friday night and will be conducted by none other than Mack Riggsbee, who formerly chauffeured for the famous Kay Kyser, and is still employed by Mrs. Kyser, the bandleader's mother, here.

"Thrill Day" will come Thursday with Lucky Teter and His Hell Drivers returning by popular demand. This year the famous congress of dare-devils has an entirely new program of stunts. They will defy death at the steering wheel in a two-hour show in the afternoon.

Grandstand attractions this year will be the best ever seen at an Eastern Carolina fair, with 15 high-class circus and vaudeville acts in the afternoon and evenings, climaxed by a brilliant display of fireworks each night, and a number of extra entertainment features.

A total of \$1,500 is being awarded to exhibitors of premium winners this year, and indications point to crowded exhibit halls, with competition stiff between proud contestants.

Once again the Cetlin and Wilson Shows will furnish the midway for the Rocky Mount Fair. With 15 rides and 15 shows, Cetlin and Wilson offer the biggest and best in high-type educational entertainment.

The fair runs Tuesday through Saturday night, with a different and interesting program every day.

Never has a woman set on a jury in Johnston county. But now one will. Last Monday when a new jury list was drawn, the name of Mrs. J. O. Black of Clayton township was drawn. She is the first regular jurywoman ever to serve in the county.

SCIENCE FACTS

It has been estimated that the earth harbors at least 1,500,000 plant and animal species, including 822,000 species of animals and 133,000 species of flowering plants... There are about two million pairs of twins in this country...

In general, people living in cool climates need less sleep than those living in warm climates... Although fruit flies, mice, guinea pigs and other lower forms of life have helped advance the study of human diseases, no creature in the world reacts to all germs in the same way as man... Despite popular supposition, fish is not a brain food; the brain feeds only on sugar, which combines with oxygen to provide fuel for the brain's electrical waves... In the United States there are roughly 14 million adults and three million school children who are hard of hearing... Birth control is not a modern development; in one form or another, some knowledge of it existed as far as the days of ancient Egypt... Of the world's three million lepers, approximately 1,000 are living in the United States.

Dean of Pharmacy Perfects Remedy for Cold Coughs

Nine ingredients, including cold-resisting vitamins A and D, are combined into one great medicine—Mentho-Mulsion—by the dean of pharmacy of a large mid-western university. This remarkable medicine stops coughing and relieves that terrible stuffed-up feeling immediately. Mentho-Mulsion is guaranteed to rid you of your cough due to colds quicker than any medicine you ever tried, or every cent will be refunded without question.

Besides vitamins A and D, Mentho-Mulsion contains seven soothing, healing oils and unguents including highest quality beechwood

creosote for penetration. A base of genuine California fig syrup gives Mentho-Mulsion a taste you will like. It clings to your irritated membranes so its soothing, healing ingredients act quicker, better.

"I served in the army thirty-three years and went through two campaigns in the Philippines," Mr. George Morehouse, "and for the last two years I suffered from bronchial irritation due to colds. Mentho-Mulsion is the only preparation that gave me genuine relief."
