PLEASANT HILL

By MRS. T. Y. PURYEAR

We are having such pretty weather. Most every one is busy at work, after spending most of their time at the fairs last week. You couldn't judge prices in tobacco or war times by the crowds that went to the fair.

A strange Negro man was in this section Sunday morning begging money he claimed to bury his baby that died the night before. Afterwards we learned he was spending it for strong drink and that he has no wife or children here.

Mrs. E. E. Hood of Boonville spent the week end with her mother-in-law, Mrs. E. W. Hood. Mrs. Hood went with her Sunday to spend a few weeks at Boonville.

We are sorry to hear of the death of Mr. and Mrs. Frank Liles' baby. It had diphtheria.

Mr. and Mrs. A. O. Puryear spent the week end at Mr. John Moody's near Rolesville.

Mrs. Richard Medlin of Peares visited her daughter Mrs. David Denton, Sunday.

Mrs. T. H. Williford of Bethany spent several days at F. Y. Puryear's last week.

Mrs. Charlie Harris and son and Mrs. Thornton Puryear enjoyed the sermon by Tommy Steele, conductor of the Jimmy Johnson daily devotional program of W. P. T. F. at Beulah Sunday afternoon.

HALES CHAPEL

By RUBY MARTIN

Mr. Guy Tippett, of Durham, accompanied by his boy friend, spent the week-end with his parents, Mr. and Mrs. A. L. Tippett.

Messrs. Kenneth Perry, Duke Bunn, Bill Martin, Norris Bunn, Arthur Allen, and Kemp Vann were among those from our community that attended the State Fair last Friday.

Miss Gertrude Bunn, who is in training at Mary Elizabeth Hospital in Raleigh, spent Sunday with Miss Virginia Bunn.

We are all very glad to know that Mrs. M. A. Bunn has returned from the hospital and at present time is staying with her son, Ralph, in Zebulon. Her condition is much better.

PILOT

By CAMERON STALLINGS

The Y. W. A. met at the church Tuesday night.

School here and at Bunn closed last Friday at noon so the teachers and pupils could attend the State Fair in the afternoon and night.

Mr. Kenneth Cone of Campbell College spent 1st week end at home.

Miss Mozelle Ray was home Sunday.

Our people are very busy now trying to sell their tobacco, as it seems to be giving them a lot of trouble

Some of our farmers are carrying their tobacco to Virginia where they say they can get it sold.

Several of our people are attending court this week. Among the jurors from Pilot are Messrs. W. K. Phillips, Baylus Bunn, W. H. Bunn, Broddie Martin and Floyd Lewis.

Roger's X Road

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue

B-U-R-R-P Embarrassing

When Acid Indigestion, Gas on Stomach or Heartburn make you feel uncomfortable or embarrass you, try Alka-Seltzer, which contains alkalizing buffers and so helps counteract the associated Excess Stomach Acidity.

But the relief of these minor stomach upsets is only a small part of what you can expect Alka-Seltzer to do for you. You will find it effective for Pain Relief in Headache, Neuralgia, Colds and Muscular Aches and Pains. It contains an analgesic, (sodium acetyl salicylate), made more prompt and effective in its pain-relieving action by alkaline buffer salts.

When hard work or strenuous exercise make you feel tired and dragged out, enjoy the refreshing effect of a glass of sparkling, tangy Alka-Seltzer.

At Drug Stores in packages and at drug store soda fountains by the glass

offers advice from a famous coach or player. Football, basketball, tracks, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 15c a copy. Subscription prices are \$1.50 for one year or \$3.00 for three years. Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

PHTHISIOPHOBIA

Do you suffer from Phthisiophobia? It is extremely prevalent at present in this section, and is contagious. Several cases have recently been communicated from one person to others, and the remedy is hard to find.

Phthisiophobia is the fear of tuberculosis when based on ignorance. Those having it are possessed of a horror of tuberculosis and a dread of contracting it; but have entirely wrong ideas about prevention and cure. Its sufferings are unnecessary, but hard to remedy.

The best cure and the only cure for phthisiophobia is education as to proper procedure in tubercular cases; plus a realization that tuberculosis is not a disease to inspire morbid fear and melancholia.

Tuberculosis needs to be understood and fought. Those who have it should have all possible

help towards restoration to health; there need be little sympathy for those who fear it, but will not try to learn what to do in order to escape it.

Jas. E. Tharrington who was sent to prison to serve from 25 to 30 years for the killing of John McMillan must, according to a compromise verdict, pay the McMillan estate \$7,500. He was sued for \$25,000.

Save Robeson And Save The State!

Last week law enforcement officers captured 17 stills and 8,800 gallons of beer, nine men, a mule and a wagon in Robeson County. In four months they have captured over 100 stills. For lack of wood or stoves, perhaps these folks are getting ready for winter by warming up on the inside.
