THIS, OUR HOME TOWN EDITION

This week's Zebulon Record not only speaks for itself, but also attempts to speak for the community and its business life. While the sketches are brief and imperfect, yet they present some facts that should be of interest to all

our readers.

We are printing double our usual number of copies—enough to supply every family in Zebulon and on the rural routes. We hope you will read this paper carefully. We believe you will have a better appreciation of Zebulon and its business concerns and find that there is no need for you to go elsewhere to supply any of your farm or home needs. If you have been thinking of moving to town, consider Zebulon and its advantages, with other towns. We believe few towns offer residential advantages from every consideration that ours does.

Then, incidentally, we would like to call your attention to The Zebulon Record. It is not a large newspaper, but we try to fill its pages with interesting and worth-while news and articles. The price is only \$1.00. Excuse us for saying it, but we believe the Record is well worth its price. Send us \$1.00 and try reading it a year. Then if you are not satisfied that you got at least a dollar's worth of information, come in and we will refund your money with interest.

Now go on reading the rest of the Record!

Junior Chamber Of Commerce Is Live-Wire Outfit

The most lusty organization in Zebulon is that young wide-a-woke-up-and-doing organization that had its birth in 1939, known as the Jr. Chamber of Commerce. No local organization has ever shown such rapid growth and accomplished so much in so short a time as the JC's have done. The officers are Robert Daniel Massey, President; Jesse Narron, Secretary-Treasurer.

After effecting an organization the young men put on a trade boosting campaign by offering through the merchants and other business people of the town tickets. From these were drawn each Saturday numbers giving the successful winners prizes ranging from \$1.00 to \$100.00. This campaign no doubt helped business. It brought hundreds of people to Zebulon each Saturday whether they traded much or not.

The JC's have not yet announced their "project" for 1940, but no doubt they will have something good for the town and its business. Only one thing we believe would be better and that is an organization that actively engages all the business men of the town. Why not organize a business men's club, making any one eligible to membership? Or perhaps a general Chamber of Commerce would be better. But if this is not possible, then by all means let's encourage these wide-a-woke young men in their program. They have done a good work. Let us encourage them to keep it going.

The Woodmen of the World Life Insurance Society is recognized, financially, as the nation's strongest fraternal benefit society, having assets in excess of 129 million dollars. It has paid more than 300 million dollars in benefits to living members and beneficiaries since organization in 1890. On June 6th it will mark its 50th anniversary, with celebrations planned by nearly all of its more than 8,000 local camps. There are 406 such camps in North Carolina.

It snowed and sleeted this week, or did you know that?

WAKELON PLAYS WENDELL HERE WEDNESDAY NIGHT

The Wakelon Bulldogs, undefeated this season, will play their arch rivals, Wendell, in the Wakelon gym next Wednesday night at 7:30.

Wakelon was victorious in both contests of the two-game series played last year. However, Wendell, with a much stronger team, plans to down the jinx which stopped them last season. Wendell has won three of nine games played.

Wakelon will be led by Hardin Hinton. Hardin shoots with either hand and is one of the hardest men to guard on the Wakelon squad. Forest "Baby" Mitchell, diminutive bit of dynamite, will be in there to add spark to the Bulldogs.

J. P. Liles is high scorer for Wendell, and is to play versus Hardin Hinton. Rayford Jeffreys, out part of the season, is also expected to star for the Wendell Bears.

A preliminary game will be played by the girls' teams of the two schools. Sally Young and Naomi Herndon will probably star for Wendell. Ruby Alford and Janet Massey are Wakelon's stand-outs.

ZEBULON ALL-STARS WIN

The Zebulon All-Stars won from Four Oaks Wednesday night by the score of 36-34.

This was one of the most exciting games ever played in the Wakelon gym. Strickland led Wakelon with 15 points. Hales was runner-up with 12.

S. J. Austin, Wakelon coach, starred for the local All-Stars and held his 6 foot 6 inch opponent to only six points.

The All-Stars will play a return game with Four Oaks in the Wakelon gymnasium Tuesday evening at 7:30. This game should have as many thrills as the one just played.

The All-Star girls will play the Motor Bearing girls from Raleigh. The Motor Bearings team is topping all competition in their league.

FILLING STATIONS LOOTED

On Tuesday night some one entered the Sinclair, Texaco and Standard filling stations in Zebulon and stole cigarettes, candies, pennies from the cash drawers and other articles. They also entered the P. F. Massey store through a back window, but Mr. Massey has not missed anything.

GENERAL NEWS

Snow, Slide, Stop

Some people were wise enough Wednesday morning not to attempt driving their cars from garages. Others were less sensible or fortunate. A snow perhaps four inches deep covered the ground. On top had fallen a coat of hard sleet or hail. Going down town one could see a car stalled just outside the garage, another on the highway, and still others on side streets and downtown. Many business people walked to their work. The car owner having chains was lucky.

Riding or walking, it was snow, slip, slide, stop.

Nearly all rural schools were closed till Monday.

Raleigh had 5 1-2 inches of snow, Greensboro 9 to 14 inches, High Point 19 inches, Asheville 5 to 6 inches, Mt. Mitchell 15 inches. Down east was not quite so bad. However, Henderson had 12 inches. With Fayetteville having only 2 inches.

Thursday morning opened clear and cold. Weather forecasts indicated a continuance of cold weather with a possibility of more snow.
