Millions of pounds of the 1939 crop are still in the hands of the farmers, and the United Kingdom is said to have in

HOWDY FOLKS!

I'm **REDDY KILOWATT**

Your **ELECTRICAL Servant**

Yes sir, **REDDY KILOWATT**, Your Electrical Servant . . . more than 50 years old but still a willing worker, more spry and youthful than when I first came to work. I can do more jobs, do them better and more quickly and more cheaply. As a member of your family I am pledged to do more than my share of the work. Yet my requirements are modest and my upkeep low. Perhaps this little verse will describe me best . . . read it then call on me!

I'm happy **REDDY KILOWATT**,
I'd like to shake your hand;
But I'm afraid my vitality
Is more than you can stand.

I've done the work of a billion slaves,
And I never eat a bite;

I need no bed in which to sleep,
I toil both day and night.

The more I work, the less I'm paid,
I strive for lower wages;
I want to work in every home,
For folks of various ages.
