HOWDY, FOLKS. GLAD TO SEE YOU!

And next week will be Fair Week!

Just once we are not going to write even one long editorial. We are not going to moralize. Nor will we criticize. We will not even more than mention war and politics.

With conditions as they are in Europe, Asia and Africa, with conscription and preparations proceeding as they are in the good old U. S. A., and since we know so little about what is really

happening and nothing about what will happen, we will say less this once.

But next week is Fair Week in Zebulon, and it will be a good one, we are told. The grounds for the big midway have been leveled, a large exhibition hall has been built. Some of the best midway attractions have been secured for the week. Crops are mostly harvested. Tobacco is selling up to expectations. Cotton is above average. Our merchants have filled their shelves with goods of all sorts for their customers. Schools have opened hopefully. The weather is fine. Fall is here with all its ripened fruits and gorgeous colors. In spite of the dark background, life is good. Let's rejoice and be happy!

For six days next week the 5-County Fair will keep open house to the people of five counties. The farmers, gardeners, and house-keepers will fill the large exhibition hall with the products of their land and the skill of their hands. With big midway attractions of shows and rides, free acts and fireworks, this Fair promises to be one of the best week's entertainment and recreation ever known in Zebulon.

Let town and country folk get together. Bring the whole family for a day or evening at the Fair. Visit the Zebulon places of business and do your fall shopping. Let's let loose and give each other the glad hand at the 5-County Fair next week. We'll be expecting you.

NOTICE—CLEANING AND installing stoves of all kinds our specialty. 7:00 P. M. to 9:00 P. M. Phone 2901. Joel Williams and Nade Bunn.
