A CHANCE FOR CIVIC COOPERATION

By Rev. C. F. Allen, Scoutmaster

Sponsored by the Rotary Club of Zebulon, the Boy Scouts of Troop No. 40 are building a log cabin next to the water plant. In the building of this cabin an opportunity is given to all the civic minded people of this community to show real cooperative effort. Such an enterprise is of great value to Zebulon, and it is urged that all who have the means share in it. It is needless to say that the Boy Scout Movement is an asset to any community, as the local scouts have already demonstrated this by their rendering civic service at the school commencement and on other similar occasions. The Scouts have a record of handling all the traffic at the Wakelon Commencement last year without a single accident or friction of any kind. If an organization can thus render such signal community service, all citizens of Zebulon should have a part in the completion of a home for the Scouts. Such a place can be used also for other meetings and recreational events for the people of our town, especially the young people. The Committee

in charge of the building of the Scout cabin is asking that when you are contacted, that each will help either by cash contributions, materials, or labor. Let us all get together and show the real Zebulon spirit in helping the Boy Scouts realize this most worthy objective.

WHY NOT? NOT A BAD IDEA

So far it seems no one has filed for office in the next election for officials in Zebulon. Just suppose we agree, all of us, not to file. Then when election time comes around, let's everybody vote for the men we believe best fitted to represent us in the town government. Let the one receiving the largest number of votes be declared mayor and the next five highest aldermen. That will certainly get the choice of the largest number of citizens.

WAKE COUNTY FARMERS BUY REGISTERED HORSES. COLT SHOW NEXT MONTH

According to County Agent Jno. C. Anderson, Wake County farmers have purchased and brought to Wake County seventeen registered Percheron draft mares during the past three months.

Several of the mares have dropped very fine colts since coming to Wake County.

Owners of these registered mares: S. O. Rich, T. M. Arrington, and R. A. Everette, Wake Forest; R. P. Wray and Green Brothers, Raleigh; J. Gordon Olive, Apex and H. M. Olive, New Hill.

"Percheron breeders of this section are planning for a Percheron

Colt Show to be held at Wakefield Farms near Wake Forest on Tuesday, May 13. Several breeders in Wake and adjoining counties are planning to exhibit their colts at this show," says Mr. Anderson, "and will arrange for a sale of the colts, soon afterwards."

NEW REFRIGERATING SYSTEM

Phillips Grocery has recently installed a new refrigerating system that will keep meats in the most fresh and sanitary condition. This store invites inspection and offers special prices right now on a number of staples. Note the ad in this paper.

VALUABLE SERVICE FOR FARMERS

The Spring Hope Oil Mill will test cotton seed for Zebulon farmers near the Page Store Co.'s place on Thursday, April 24. Every cotton grower should take advantage of this "Ceresan" machine service at a very low cost.

George Henry Temple is home from Baltimore for a visit with his parents, the L. R. Temples, and other relatives here.

Peat deposits up to a depth of five feet are common in eastern North Carolina. According to geologists it takes 300 years to create one inch of this fuel.

Egg production in North Carolina, according to Clifton F. Parrish, North Carolina State College extension poultryman, increased from 542,000,000 in 1930 to 660,000,000 in 1939, and he estimates current output at 3,750,000 eggs per day, or enough to lead a train of 25 cars.
