THE BLAME FOR YOUTH DELINQUENCY

Eddie Cantor offered prizes to young people in a contest on the causes of delinquency among the youth. Some attributed it to parental neglect, others blamed communities for lack of wholesome recreation. The winner of first prize was 17 year-old Charles Byrne of Minneapolis, who said: "If parents would discipline children and instill in them a respect for the rights of others, they would save much misery later on."

We would add just one thing: Let the parents first set the right example before their children before they attempt the disciplinary process of building child character.

In Service

Miami, Fla., May 28. — Among the latest arrivals here from overseas via ATC plane under the army's re-deployment plan which calls for flying home 50,000 veterans monthly, was Pfc. Kenchin A. Liles, 24, Zebulon, N. C., a veteran of many months service overseas.

Today he was clearing Air Transport Command's Miami Army Air Field enroute to a demobilization center for reassignment or release under the point system.

The young soldier is the son of Lennie Liles, Zebulon.

Capt. Barrie Davis left last week for Indian Springs, Nevada, after a 21-days leave here with relatives.

Wilbur Pulley, CM 2-c, son of Mr. and Mrs. J. A. Pulley, recently spent 14 days with his parents. He went from Zebulon to Portland, Oregon, to board the U. S. S. transport Warren. His brother, Jesse Franklin, who is taking amphibious training at the Norfolk Navy Yard, also spent some time at home recently.

Frederick Corbett was able to take all his examinations at Campbell College before going to Fort Bragg last week for induction. He had feared havin gto leave before staying in school long enough to get credit for the semester's study.

Oren D. Massey, Jr., was home for the weekend from Fort Meade.

Pfc. Braxton Eddins, who was recently wounded in combat and captured by the Germans, and who was later sent to a hospital in England, has been brought to the United States. He talked to his parents and sister and niece from a New York hospital last week.

Private Edward E. Oakley of Zebulon, Route 2, is with the 6th Army Group in Germany. Gen. Devers is commander of the 6th Division. Edward was along when the army slashed through Alsace, knifed through Maginot and Siegfried fortresses and were the first to reach the Rhine.

Corporal Joyner B. Chamblee who started out as a farmer in the Zebulon community, is now a draftsman with the 6th Army Group. He is a veteran who stood the German bombing of Antwerp, and played an important part in anti-aircraft against the "buzz bomb" attack, shooting down many of them. In the defense of Antwerp the 56th Division of the

6th Army, with their 90-mm. guns alone fired more than \$12,000,000 worth of ammunition at the V-bombs.

Jesse Willard Smith, 18, seaman second class, USNR, of Zebulon, has arrived at the Naval Training Station, Norfolk, Va., to undergo training for duties aboard a new destroyer of the Atlantic Fleet.

Smith is the son of Mr. and Mrs. Lonnis Smith of Zebulon.

Jesse Franklin Pulley, 20, seaman, second class, USNR, of Zebulon, has arrived at the Naval Training Station, Norfolk, Va., to train for duties aboard a new destroyer of the Atlantic Fleet.

Son of Mr. and Mrs. James Pulley of Zebulon, he has two brothers in the Navy, James, 22, an aviation machinist's mate, second class, and Wilbur, 23, a carpenter's mate, second class. Before enlisting he was employed by the U. S. Post Office in Washington, D. C. He attended Wakelon High School.

Pvt. Clayton P. Wall, Rifleman with the 23rd Infantry, has been awarded the Combat Infantry Badge in the German theater of action. He is the son of Mrs. Nova O. Wall of Route 1, Zebulon.

Labor Available To Tobacco Farmers

Tobacco growers of Wake County who have a severe shortage of labor for harvesting tobacco have a possibility of obtaining Bahamian labor to help harvest the tobacco crop. All tobacco farmers interested in securing this labor should place applications in the county agent's office not later than June 10. The number of applications received will be the determining factor whether or not this labor is made available for Wake County tobacco growers. The workers can be obtained if sufficient interest is shown by tobacco growers in numbers to suit the needs of the individual farmers. This is a matter that should have the immediate attention of tobacco growers who have a labor shortage.

New Red And Blue Points Good June 1

Five new blue stamps, worth 10 points each . . . a total of 50 points—and five new red stamps, also worth 10 points each, totaling 50 points, will be good for buying processed foods and meats and fats, respectively on Friday, June 1st.

The five new blue stamps are D1, E1, F1, G1 and H1.

The five new red stamps are V2, W2, X2, Y2, and Z2.

The red and blue stamps validated on June 1 will be good through Sunday, September 30, 1945.

Five red stamps—Y5, Z5, A2, B2, C2 and D2—and five blue stamps, H2, K2, J2, L2, and M2—will not be good after Saturday, June 2.

As announced earlier, sugar stamp 35 will not be good after June 2, but stamp 36 will remain good for five points through Friday, August 31.

APPRECIATION EXPRESSED

Mrs. M. T. Debnam expresses grateful appreciation for the thoughtful consideration in acts and words shown her and her family during the illness and death of her mother, Mrs. J. C. Mitchell.

The Asheville Auction Market plans, special feeder calf sales at Clyde and Asheville during September.

TT&O

Continued from page 1

The first of this week we had no fat-back or side meat on sale in Zebulon. It was queer to try cooking turnip greens with only margarine to season them. Cabbage is pretty good boiled quickly and served with butter or margarine; but I have not reached the stage of eating snap beans cooked without meat. We may come to it though.

Hearing me asking all around about fat meat, Grace Gill (Mrs. Ruric) sent me a pitcherful of the stock from boiling meat, and it had a grand layer of fat on top. I am using it as carefully as possible, hoping some meat will be on the market by the time I am unstocked.

I am wondering whether we should try to buy a pig and have some meat of our own next winter. It would probably be small when killed and its little sides would get rancid by spring; and it would be a big trouble as well as a big smell—but pig lots are not nearly so malodorous as they used to be, if you keep thinking of the meat shortage as you inhale. One pig gets lonesome and does not grow nearly so fast as when companionship is part of the diet; but one has to be fed as regularly as a half-dozen. Killing one pig is hardly enough to muss up the kitchen and get sick over the lard. I guess we'll continue to depend on getting a few pounds of meat now and then from the stores.

Some victory gardeners in Raleigh paid at the rate of \$120 an acre to have land broken with a one-horse plow.

More Gasoline

Automobile drivers in North Carolina will get an increase in gasoline rations, effective in June. The value of "A" coupons will be increased from four to six gallons on June 22, when the new A-16 coupon becomes valid. The limit for "B" card holders who can show an actual need for more gasoline will be raised to 650 miles per month on June 11.

The additional quantities to be made available to civilian use are not guaranteed for any certain period of time but must always remain dependent upon changes in the military demand. The military has always had, and must always have, first call.

In explaining the increase in the "B" card ceiling, it is pointed out that a person who needs only 200 miles a month will continue to receive only that amount. But a person who uses his car in his business and who needs more than he is now receiving will be able to get additional rations up to 650 per month. In both cases they will receive the 60 per cent increase in the "A" ration.

Even for Good Flour

56 YEARS IS A LONG TIME

When you find families using Roller Champion Flour for 56 years, it is significant. Yet that is common in North Carolina. It means North Carolina housewives, 56 years ago, found Roller Champion to be the perfect flour and never changed. Now that Roller Champion is enriched with vitamins and minerals, they like it better than ever and truly agree it is "the flour the best cooks use."
