Cubmaster Says Special Program For Next Meeting of Local Den

By Armstrong Cannady

Please note that the regular Pack meeting night has been moved up one night this month, from Thursday to Wednesday, due to the Senior play being held on the regular night. This will enable those who would otherwise have to miss one or the other to be able to attend both. We are expecting a good turnout Wednesday night at the Woman's Club House. The meeting will get under way promptly at 7:30, and will last about an hour and fifteen minutes.

The special event of the night will be the presentation of the Pack Charter to our Sponsoring Institution, the Rotary Club. There

will be numerous other awards to the Cubs, Den Chiefs, Den Mothers, Asst. Cub Master, and Committee members. There will be an impressive ceremony held during the award period and a new Cub will be taken into the Pack. Songs, games and contests will be thrown in at intervals and all of the month's handicrafts will be displayed for the visitors to inspect.

Those invited to this meeting are as follows: Cubs, their parents, committee members, officers, the entire Rotary Club, and anyone interested in the betterment of boyhood. Make your plans now to attend the Pack meeting of the Cub Scouts of Zebulon.

Town Election Set for Monday, April 28; Candidates File April 12

Zebulon citizens will go to the polls on Monday, April 28, to nominate a mayor and five commissioners to direct the municipal affairs for the next two years. The nominees will be elected May 8, which is Tuesday after the first Monday in May.

Registration for the primary and general election will start tomorrow for persons not previously registered for this municipality, and books will remain open until April 26, the last

Saturday before the election. A

separate registration book is kept from the Little River Township book used in the Democratic primary and state elections.

Mrs. Ethel J. Brown has been designated as Registrar, and Zolie Culpepper and J. A. Braswell will serve as judges at the election. The primary and general elections will both be held in the Fire Station on Horton Street, with voting hours being from sunrise to sunset.

All persons who desire to become candidates for either the office of mayor or commissioner must file their notice of candidacy for the office in the office of the town clerk on April 12.

Present officers of the municipality are Avon Privett, mayor; F. L. Page, Worth Hinton, Norman Screws, Vanve Brown, and W. B. Bunn, commissioners. Mr. Brown was elected last Tuesday as temporary town clerk, to serve in the absence of Willie B. Hopkins, who is still hospitalized with a broken collarbone suffered in an automobile crash three weeks ago.

None of the incumbent town officials have yet made public announcement of their candidacy to succeed themselves.

Ralph Talton Speaks To Zebulon Rotarians On Work of Committee

Ralph Talton brought a report of the work of his Club Service committee during the past year to the Zebulon club at their regular meeting last Friday night in the Woman's Club. Several members were absent but have since made up their attendance at neighboring clubs.

Three meetings have been held at his office, stated Ralph, to acquaint committee members with their duties. During the past months, attendance and membership have been stressed.

The club decided to take a collection for the Paul Harris Memorial Fund at their next meeting. Paul Harris, founder of Rotary International, died earlier this year.

Hundreds Are X-Rayed Here by Mobile Unit

Hundreds of Zebulon residents took advantage of the visit of the mobile X-ray laboratory of the North Carolina Board of Health to have their lungs checked for the presence of tuberculosis. The X-rays were made free of charge, and reports of the checkup will be sent by mail.

The expense of maintaining the mobile unit is being defrayed in part by the sale of Christmas seals last year, the County Tuberculosis Association, and the Board of Health.

A startling number of tuberculosis cases has been discovered by X-rays made by this unit. Victims of the disease receive greatest benefit by early treatment, and the X-ray program provides a way to discover diseased lungs before they are too far gone.

Zebulon's 1947 Red Cross Quota Was Little More Than Half Met

The Zebulon district closed its Red Cross Campaign with a little over 50 per cent of its quota. The quota for this district including Zebulon and all of Little River Township, was \$1400.00. The total collections amounted to \$781.21.

The township was covered thoroughly, and everyone was given a chance to contribute. The organization here was well-planned, and the workers were very active. Through this paper and other channels the community was informed as to the necessity of giving. One big reason for the

difficulty in making the collections this year, was the bad publicity a number of returning servicemen from this section have given the cause, according to Chairman Ralph Talton.

Mr. Talton wishes to thank all who participated in the current drive, and advises should anyone desire to contribute more, or if he were missed during the solicitation we may bring his contribution to the Peoples Bank and Trust Company, or to the Carolina Power and Light Company office. They will be glad to forward it to campaign headquarters.
