"30" FOR STALEY DENTON

"30" is the way linotype operators traditionally sign off when they complete a job. Staley Denton set his last piece of copy last Friday night, and Tuesday morning wrote "30" for keeps.

TOWNSHIP AAA COMMITTEES WILL BE ELECTED TOMORROW

Farm owners, operators, tenants and sharecroppers of Little River Township will go to the polls tomorrow along with the rest of rural Wake County to elect their Agricultural Conservation Community Committeemen and delegates to the county convention for the purpose of electing the members of the Wake County Agricultural Conservation Committee.

Milk Income Grows; Local Prices Steady

Tar Heel farmers are now receiving the highest cash income from milk in the history of the State, and 1947 returns are expected to exceed, by a substantial amount, the 1946 record-breaking total of \$29,574,000, says J. A. Arey, in charge of Dairying for the State College Extension Service.

Milk prices in Zebulon have not advanced recently, however, remaining at 18 cents a quart and 10 cents a pint.

Any person who participated in the 1947 Agricultural Program or who had a contract with the Federal Crop Insurance Corporation is eligible to vote in the election tomorrow.

At each voting place there will be a nominating meeting beginning at 8:30 a.m., and the balloting will begin immediately after the completion of the nominating meeting. All eligible voters are urged to participate in this election in their respective areas.

Poll hours tomorrow are from 8:30 a.m. to 6 p.m. Voting places are Little River A, Hopkins Cross (Continued on Page 8)

Committee Is Appointed to Select Local Veterans for Farm Training

A five-man advisory committee, set up to decide which of the community's veterans will be allowed to continue their agricultural training at Wakelon School under the G.I. Bill of Rights, was selected Monday by the Wake County Board of Education.

The screening committee is necessary, officials of the Veterans Administration say, because of the large number of veterans seeking training here under Ed Ellington, Wakelon agriculture teacher. Existing facilities will not permit the

acceptance of all applicants.

Members of the local committee are R. H. Bridgers, mayor of Zebulon; Fred Smith, principal of Wakelon School; Graham Bunn, Farm Bureau officer; Joe Tippet, local farmer; and Ferd Davis, editor of *The Zebulon Record*.

CATALOGS FOR POLAND CHINA SHOW NOW AVAILABLE FROM COMMERCE UNIT

Large Crowd Expected To Attend Zebulon's Hog Show and Sale

Catalogs for the first annual show and sale of the N. C. Poland China Breeders Association, to be held in Zebulon next Friday, December 12, are off the press, and can be obtained at the Record office or at Whitley Furniture Co., Chamber of Commerce President C. V. Whitley said yesterday.

The catalogs, which carry a record of each boar or gilt listed for sale, were financed by advertisements given by members of the Zebulon Chamber of Commerce.

A large crowd is expected to attend the show, which will be held at C. V. Whitley's barn, at 1:00 p.m. Inspection of stock begins at 10:00 a.m.

Chicken barbecue will be sold on the grounds by the Chamber of Commerce. Soft drinks and sandwiches will also be available.

Local Pastor Leads Team to 48-22 Win

The newly organized Zebulon town team, coached by Rev. Carlton Mitchell, was slow starting Wednesday night but got on the move in the second quarter to trample Wendell High School, 48-22, in a basketball game played on the Wendell court. The Zebulon quint trailed at the end of the first quarter, 5-1, but began clicking midway of the second quarter to take a half-time lead of 22-12.

Hardin Hinton led the scoring for Zebulon with 15 points, followed by Mitchell with 13, and Hilliard Greene with 12. For Wendell, Marvin Pearce scored 10 and Royce Richardson 6.

This was the Zebulon team's first game, and both Wendell and Zebulon substituted freely throughout the game.

A game with the Wendell All-Stars has been tentatively scheduled for Friday night, December 12, if the Wakelon gymnasium is not in use for any other purpose that night. Starting time will be 8:00.

Home Agent

Mrs. Maude McInnis, recently cited by the state extension service for her work as Wake County Home Demonstration Agent.

Mrs. McInnis is well known in Zebulon, having served the Wakefield Home Demonstration Club in an advisory capacity since its beginning.

Attempt to Sabotage Wells Unsuccessful; Will Be in Use Soon

Zebulon will be using well water within 30 days, Mayor R. H. Bridgers announced last Monday night. Pumps will draw water from three deep wells, so pure that it will be pumped directly into the water mains with no filtering required.

Mayor Bridgers said he had already installed pumps on two of the wells, and they are ready to begin work except for missing motors. The motors are expected next week.

Trouble developed for the Mayor when he attempted first installation of the pumps. Some one had dropped three feet of brick in the first well and over seven feet of brick in the second. Before the pumps could be set, Mayor Bridgers had to call Heater Well Company from Raleigh to drill the brick out of the wells.

The town board is optimistic about the savings expected from operation of the wells. Operating of the present water plant cost nearly \$250.00 last month for power and chemicals. The wells, which require no chemicals, are expected to cost about \$55 per month for operation.

The three wells will supply a maximum of over 200 gallons of water per minute. Normal consumption for Zebulon is 50 gallons per minute, and the extra reserve will be sufficient to furnish water for fires and other emergencies.

Local Rotarians Are Given Detailed Picture of Conflict in the Holy Land

E. C. Daniel, Jr., New York Times correspondent recently on duty in Palestine, accurately predicted the turn of events in the Holy Land last Friday night for Zebulon Rotarians when he declared that the United Nations Organization would vote in favor of a partition of Palestine between Arabs and Jews, and that a "holy war" would follow.

Daniel was proved right in less than 24 hours; for Saturday UN delegates voted for the partition of the Holy Land, and bloody riots

Funeral Services Are Held for Local Man At Methodist Church

Funeral services for Samuel Staley Denton, 43, who succumbed to a heart attack at the home of his parents, Mr. and Mrs. E. P. Denton, here Tuesday morning, were held from the Methodist Church yesterday afternoon at 3 p.m. The Rev. Paul Carruth officiated, assisted by the Rev. Carlton Mitchell. The choir of the Methodist Church sang.

Burial was in the Massey cemetery at Pilot. There was a simple graveside service.

He is survived by his parents; five sisters, Mrs. J. T. O'Neal of Knightdale, Mrs. Clatie Abernathy of Nashville, Mrs. Charles Conover of Lake Paccinac, N. J., Jacquelin and Dorothy Denton, both of the home; five brothers, Raymond S. Denton of Lynbrook, N. Y., Talmadge and Hilliard Denton of Washington, D. C., Allen Denton of Raleigh, and Willard Denton of the home.

The deceased was the oldest employee of *The Zebulon Record* in point of service, and had been foreman of *The Chatham News* at Siler City before ill health forced him into semi-retirement. He had previously worked on the *New York Times*, and the old *Zebulon News*.

Commissioners Vote Courtroom Repairs

The Zebulon Recorder's Court will receive extensive repairs during the next month, including roof repair, a new ceiling, better insulation and heating, and new seats. The Board of Commissioners voted to have the improvements made at the December meeting last Monday night in the town office. Total cost is not to exceed \$2,000.

Judge Irby D. Gill set up a Repair Fund of \$1000 for the Recorder's Court, and this will be used for the work, with the Town of Zebulon bearing the additional cost up to \$1000. Commissioner R. Vance Brown is in charge of having the work done.

The commissioners heard a request from A. D. Antone for a sewer extension to be built up Horton Street. The board promised that, in accordance with their statement earlier this year, sewer and water lines will be provided any home in Zebulon. As soon as the proposed building is begun by Mr. Antone, the board will take action on extending the sewer lines.

Long discussion took place on the advisability of additional pavements (Continued on Page 8)

and pitched battles ensued in Palestine almost immediately.

The former resident of Zebulon, who is presently visiting his parents here, was introduced to the club by Heywood Jones. He addressed the local Baraca Class on Sunday morning.
