

FERRELL-PERRY

Miss Melrose Perry, daughter of Mr. and Mrs. L. F. Perry of Pearces, and Sprite Clifton Ferrell, son of Mrs. Willie Ferrell and the late Mr. Ferrell of Wakefield, were united in marriage last Saturday afternoon in the Pearce Baptist Church. The Rev. Charles B. Howard of Buie's Creek officiated.

The bride given in marriage by her father, wore a gown of white satin, fashioned with a basque bodice and round neckline, with a berth of Chantilly lace. The long sleeves were buttoned with tiny satin buttons and ended in points over the hands. Her fingertip veil of embroidered silk, from Japan, was attached to a headdress of satin pleating. She carried a bouquet of starlite roses centered with an orchid. Her only ornament was a single strand of pearls, a gift of the bridegroom.

Miss Barbara Perry, sister of the bride, was maid of honor. She wore a gown of American beauty satin with a fitted bodice, low neckline, and full skirt, made with a bustle. She carried a bouquet of yellow chrysanthemums tied with contrasting ribbon. Her headdress was a Mary Queen of Scots bonnet of satin. She wore matching mitts.

Mrs. Joseph Ray was matron of honor. She wore a gown identical to that of the maid of honor and a satin croll headdress, and matching mitts. Bridesmaids were Miss Lillie Ferrell, sister of the bridegroom, and Mrs. George H. Yancey. They wore dresses of lime satin with matching mitts and headdresses fashioned after the maid of honor's. They carried bouquets of yellow chrysanthemums.

Patricia Murray, niece of the bridegroom, was junior bridesmaid. She wore a jasmine yellow gown of satin, identical to the bridesmaid's dresses and carried a nosegay of yellow chrysanthemums.

Sandra Beasley, cousin of the bride, and Jackie Mullen were miniature bride and bridegroom. The miniature bride's dress and flowers were similar to the bride's.

Billie Ferrell was his brother's best man. Ushers were Franklin Perry, brother of the bride, Bobby Ferrell, brother of the bridegroom, and Thurman Murray, all of Zebulon, and Proctor Scarboro of Raleigh.

Honorary bridesmaids were Misses Laura Ray, Mary Pierce, Dorothea Parish, Susan Stallings, Sue Brown, and Mrs. Nelson Pearce of Zebulon, Mrs. Ben Bissette of Spring Hope, and Mrs. Peyton Harris of Bunn. They wore pastel evening gowns.

The bride's mother wore a powder blue crepe gown with black accessories and a corsage of pink carnations. The bridegroom's mother wore an original model of aqua crepe with black accessories and a corsage of pink carnations.

Immediately following the ceremony, the bride's parents entertained at a buffet dinner for the wedding party and out of town guests.

Following the dinner, Mr. and Mrs. Ferrell left on a wedding trip to unannounced points. For traveling, the bride wore a white gabardine suit with blue and black accessories and the orchid from her bridal bouquet.

Mrs. Ferrell is employed by the Carolina Power and Light Company in Zebulon. Mr. Ferrell is engaged in farming.

After their wedding trip, they will make their home near Zebulon.

Following the wedding rehearsal Friday evening, Mr. and Mrs. Thurman Murray entertained at a cake cutting at the Woman's Club.

The table was centered with an arrangement of white flowers, flanked with burning tapers. Mrs. Perry, mother of the bride, served the wedding cake after the bride and bridegroom had cut the first slice. Mrs. Ferrell, mother of the bridegroom, presided at the punch bowl. The honorary bridesmaids assisted in serving sandwiches, nuts, mints, lime ice, and hors d'oeuvres.

Goodbyes were said to Mr. and Mrs. H. K. Baker.

PILOT NEWS

PERHAPS YOU NEVER THOUGHT OF IT, but electricity is one household necessity that is always DELIVERED to your home. You don't even have to phone and make an order—you only flip a switch.

This delivery system is in reality a complicated and expensive thing. Thousands of miles of distribution lines—thousands of poles, and transformers, as well as other equipment, and highly skilled men are needed to operate it . . . men who work day and night in all kinds of weather to keep your electric service dependable.

It is a comfort to you that you can enjoy all the conveniences your electric service brings you at the mere touch of a switch. The employees of this Company are glad that they have been able to make electricity so dependable that you probably never give our "delivery system" a thought.
