

### Bulldogs Win

Wakelon swept a doubleheader from Knightdale Tuesday night as the Bulldogs won, 41-38, and the Wakelonettes edged the visitors, 31-16. A capacity crowd saw the games, in which the local lassies increased their long victory string.

Leading the Wakelon girls were Betsy Driver with 10 points and Gwen Kitchings with 7. The Knightdale forwards were held well in check by Wakelon guards, led by Joellen Gill, Genevieve Ellington, and Lady Talton.

For the Bulldogs, Rex Tippett hooped 16 points and Fred Mangum helped with 10.

### Card of Thanks

We wish to express our thanks and appreciation to all the friends who remembered us during my sickness with kindness, cards, flowers and gifts.

C. E. Stone and Family

### Passengers Lost!

If you have wondered who was in that airplane that circled Zebulon Wednesday afternoon, it was Bob Reed of Thomasville, High Point College student who flew in for a short visit with Joyce Temple. Bob is president of the Thomasville Skyway Club and he made the trip from High Point in his Bellanca in 31 minutes.

With him he brought two of his college friends, leaving them at the airstrip at J. G. Bunn's

store when he was offered a ride into town on a motorcycle.

The two friends caught a ride into Zebulon later, but when they came into town, they realized they did not know the name of the person Bob Reed was visiting. So they wandered up and down the main street asking if anybody knew anybody who had just come home from the hospital.

When Bob Reed was ready to go back to the airstrip, his friends still had not found him and were futilely asking if anybody knew anybody that had just come home from the hospital. It took the help of the police before the trio was back together for the return trip to High Point.

### Wakefield Church

10:00 a. m.—Sunday school  
11:00 a. m.—Preaching Service  
Sermon: "God, The Supreme Being."

God's mercy is a holy mercy, which knows how to pardon sin and not to protect it. It is a sanctuary for the penitent not for the presumptuous.

The man who in this world can keep the whiteness of his soul is not likely to lose it in any other. Reporter, Mrs. Vera Rhodes

### Boy Scouts Meet

Bad weather forced the Scouts to miss their last three regular meetings and the Court of Honor for February, but the troop will return to its regular sched-

ule Monday night with a meeting in the basement of the Baptist Church.

The scheduled camping for February also was postponed because of the terrible weather, but if the temperature stays high, the Scouts will spend Saturday night in the open.

Examinations on the First Aid Merit Badge will be conducted at the next meeting. The troop has been studying for this badge throughout the past month.

### Another Big Rat

Ted Hood trapped a huge rat weighing 19 ounces on Monday of this week. He set the trap in a meal barrel and it snapped shut

on the rats leg. Ted killed the rat before it had a chance to gnaw its leg off.

Measuring 20 inches long, the rat was a little larger than that killed last week by Ted's sister,

Mrs. Vera Rhodes, of Wakefield. If anyone kills a rat that will equal these two in size, *The Record* will be glad to publish the news. We're not particularly interested in those that get away.

## It isn't what you pay—it's what you get!

If you had to pay a million bucks for that baby of yours, you'd still be getting a bargain.

And you don't get many other bargains these days of high costs. Except electricity, of course!

Yes, electricity goes right on being the biggest bargain in anybody's budget. The average family served by this Company is still getting three times as much electric service for its money as it got 20 years ago!

One penny will light a 100-watt bulb for almost 3 hours. Or whisk clean 3 tubs of washing! Or run a radio a whole evening! That little copper will vacuum clean 6 large rugs, run your refrigerator for 5 hours, or tell you the correct time for about a week.

It isn't what you pay, it's what you get, that's true. And when you buy electricity, you get a lot—for a little!

● ONE HOUR LATER. New time for the Electric Hour— THE HOUR OF CHARM. Sundays, 5:30 P. M., EST, CBS.

### DO YOU KNOW THESE FOLKS?

MRS. EUGENE BAILEY — we gave her 25 pounds of sugar

DAVE MASSEY — we gave him 50 pounds of flour

J. H. IHRIE — we gave him \$1.50 in trade
