

March of Dimes Report Is Given

We feel that the March of Dimes Campaign has been a success this year. We believe that the amount sent in to headquarters was as large if not larger than any year before. Wakelon School did a grand job—its final report being \$200.48. The Wakelon Theater's collection was \$113.26. Contributions from individuals and containers placed in the two drug stores and post office amounted to \$126.28. The grand total was \$440.02.

The drive was sponsored by the Woman's Club this year. We want to thank each person who helped in any way to make the drive a success.

Mrs. Fred Page
Mrs. Willard Gill

The Shephard High School contribution to the March of Dimes was \$62.00. Professor Crews mailed his check to headquarters separately.

Mitchell and Hilliard Greene accounted for all of the Eager Beavers' points, scoring 31 and 23 respectively.

This was the Zebulon team's tenth victory out of twelve tries.
