Child's Life In Balance

Wayne Price, young son of Mr. and Mrs. B. M. Price, is better this week after taking what Duke Hospital doctors described as a last hope treatment for a tumor on the base of his brain. He will complete the X-ray Thermetry treatments Monday. It will require two weeks of observation to tell whether he will respond to the treatment.

On Tuesday he was able to talk a little, and walked some Wednesday. His family has requested 'the prayers of all Christian people that he may respond to the treatment.' They expressed their sincere appreciation for the help and comfort that has been extended to them and their son.

The Zebulon Baptist Church sent a collection of \$56.76 to aid in paying some of the hospital expenses for Wayne.

Season of Prayer Here

The W. M. S. of the Baptist Church will observe next week the Season of prayer for the Home Missions. A service will be held in the Baraca room of the church on Monday, Tuesday, Wednesday and Friday afternoons, with a service Thursday night when the program will be given by the Y. W. A. All interested

members of the congregation are urged to attend.
