Sermon topic: God the Supreme Being

You should have been here last Sunday, he used the same subject and will use it three times in succession. So don't miss the next one, it's worth your while to come and get these wonderful messages.

There is a gap between what we are and what God wants us to be. We must bridge the gap. We want restoration, but we can't have it unless we do certain things, unless we wait on God. The world is especially in great need of earnest, heart searching prayer. Prayer for United Nations. Europe, Japan and leaders of nations we perhaps do not trust.

From a wall of such prayer may come world peace.

Am sorry to report more boot weather. I hope mine lasts the rest of the winter but they are in constant use.

Our new highway is proving its worth now. I wouldn't take a million dollars for it, for if we didn't have it we would surely be marooned for it was so bad last winter we couldn't travel it and we didn't even have any snow.

I read Philip Bunn's letter. I sympathize with them up there. I know just what a predicament they are in for we have already past that way. I hope they can get something done about it soon. We are looking forward for our telephones some time soon. It will be a great relief to have them.

Well, I hope we are going to have a Laundrette between Wakefield and Zebulon. It will be a great relief to know you can get your laundry done near by. They are fine to have. I've been going to Raleigh with mine since last summer.

Our sick is about well now and we are glad. Mr. C. E. Stone is up a little. Mrs. Kimball is as frisky as ever.

Mr. R. F. Hendricks is on the job again.

Mr. C. D. Pace had a big birthday dinner last Sunday. He had

from a fall she took in our first big snow. I hope it is not serious.

We are sorry to hear of Derward Richardson's bad wreck. He is one of our home town boys, and is in Rex Hospital in a serious condition. We hope he will soon be better.

Uncle Bill Broughton went fishing last Friday, it looked so much like spring, but he didn't catch a thing.

We didn't have but 54 at Sunday School, Sunday. That won't do, let's every one come and

bring one next Sunday. We should put our shoulders to the wheel and push forward to the high calling.

People are always expecting to get peace in Heaven, but you know whatever peace they get there will be ready made.

Whatever of making peace they can be blest for must be on the earth here.
