

# Oh, Lovely!

Yes, but more than just lovely!

### BEAUTY

Beauty at its very best. That's what you find in quality furniture. Don't go by price alone when you look for home furnishings. We will show you the expert workmanship and finest materials which distinguishes superior furniture from average pieces.

### ENDURANCE

Built to last. That's what you want today. Furniture for the home is bought for the years ahead. It is only fine furniture that will last for decades without having its beauty marred by the ravages of time.

### UTILITY

Built to use. Not just a pretty piece of wood to decorate your rooms, but a real addition to your home. Something that is lovely, that will last a long, long time, and that will make living more enjoyable every day.

for beautiful furniture . . .
