PILOT NEWS

This really has been a busy week for the people in Pilot. On Tuesday and Wednesday nights the ladies had a Week of Prayer to attend.

On Thursday night several of the people went to Centerville with Mr. Peagram to an association, which was held.

Mr. Bjork also showed a movie on Wednesday night.

Yes, it was going again on Tuesday night. Most of the W. M. U. ladies attended the Study Course when the Pearces W. M. U. invited them over to hear Mrs. Carl Lewis teach the course. Mrs. Lewis was formerly from our community. She is known to us as Bobbie Medlin, daughter of Mrs. Ludie Medlin. Yes, they really enjoyed it.

Mr. and Mrs. Russell Bunn and boys of Goldsboro spent Sunday evening with his mother Mrs. Bennett Brantley.

Mr. and Mrs. T. B. Ward of Aberdeen, Md. came for the funeral of Mr. B. W. Lewis and stayed one day last week with her parents, Mr. and Mrs. Claude Lewis.

Aubrey Bullock of Langley Field, Va. was home for a few days last week.

Archie Bunn, after making a

trip for the Merchant Marine is home for a while.

We had regular preaching service on Sunday morning. Mr. Peagram brought a splendid sermon on "The High Cost of Low Living."

Little Evelyn Joyce Anderson of Rocky Cross celebrated her 5th birthday on Thursday evening. She invited all the little ones from Pilot. Most of them were present.

Mrs. Durwood Stallings was surprised Thursday evening when two of the ladies took her a Sunshine Basket which all the women in the community had made for her. It was very attractive and well filled with nice gifts. This was to show her how much she has been missed during her illness. We hope she will soon be well and back with us again.

Regular church services will be held.

WOOD FOR SALE—

Have you made arrangements for fuel for curing tobacco should oil be scarce next summer? On the farm of R. E. Pippin, 2 miles northeast of Zebulon there are several hundred cords of wood to be had. The wood is laps from some lumber that was cut last year. You may have this wood for \$2.00 a cord "as is, where is." The laps to be gotten up clean where you cut the wood and not cut any standing trees.

See T. Clifton Pippin or J. R. McSwain

If you are interested. They can give you the details.
