We were glad to have a fair, pretty Sabbath. We had 144 last Sunday. We were so happy to have a good crowd, we just need that many more right away. There is no reason whatever, for the church not being filled. There are people enough around this community to fill it to overflowing, so please come and be one of us.

You may assuredly find perfect peace if you are resolved to do that which your Lord has plainly required, and contented that He should indeed require no more of you than to do justice, to love mercy and to walk humbly with Mrs. Vera Rhodes ly with Him.

**IN MEMORIAM**

In loving memory of our mother, who died March 3, 1947

Today my heart is heavy,  
My thoughts are all for thee;  
Oh how I miss you, Mother dear,  
None by God in heaven can see.  
Surrounded by friends I am lone-some,

In the midst of my joy I am blue.  
With a smile on my face I've a heartache,

Longing, dear Mother, for you.  
Sleep on, Mother dear,  
And take your rest;  
Oh how I miss you,  
But God knows best.

cleaning!

Grandma will tell you that housecleaning was one chore she hated — and Grandpa dreaded. But that was before electricity had taken so much work out of housework.

• Now, with cheap, dependable electric service ready to lend a hand—or a dozen hands—housecleaning has been stripped of much of its drudgery. Housecleaning — and house-keeping, as well.

• For the cost of a couple of candy bars a day, the house-

wife has a dozen helpers at her elbow. Today, electricity washes, cooks, sews and cleans, preserves her food, lights her home and entertains her.

• Never before has electricity done so much to make life easier and more comfortable. Yet the average family served by this company today is still getting three times as much electric service for its money as it got 20 years ago. What other item in the budget does so much for so little?

• Listen to the Electric Hour—the HOUR OF CHARM, Sundays, 5:30 P. M., EST., CBS.
