

Rev. Mark Osborne To Enter Seminary

Last Sunday morning the Rev. Mark R. Osborne, Jr., pastor of the Cullowhee Baptist Church, tendered his resignation to become effective June 1. It was the day of his third anniversary as pastor here.

He stated in his resignation: "We earnestly desire to continue our training at the Southern Baptist Theological Seminary in Louisville, Ky. Our decision has been partially intensified by your generous response to our ministry, especially during the past year."

The Cullowhee church has progressed rapidly under Mr. Osborne's leadership. Attendance at worship services has grown, church finances have shown a marked increase, and the unity among the membership has been greatly strengthened.

Prior to coming to Cullowhee Mr. Osborne was a senior announcer on the staff of radio station WPTF in Raleigh in addition to serving churches at Pearce's, Bailey and Stanhope in the Zebulon area. While living in Zebulon he commuted to Wake Forest College, and Mrs. Osborne taught in the Wakelon High School. She was later head of the Spanish department of Raleigh's Needham Broughton High School. While here Mrs. Osborne has taught in the modern language department at Western Carolina Teachers College.

Mr. Osborne is a musician and a humorist and has been in demand for programs of entertainment in civic and religious circles throughout Western North Carolina during the past three years. Mrs. Osborne joining him in vocal and instrumental achievements. He also assists numerous churches as a singer in evangelistic campaigns and has promoted extensively the youth work of his denomination.

The Osbornes have a baby daughter, Betsy, now nineteen months old, who will accompany them to Louisville in June. She will probably be enrolled at the Seminary too, since there is an excellent nursery school.

Miss Corinne Bissette of Pilot was a week-end guest of Miss Jean Dickerson at Meredith College in Raleigh, attending the Saturday afternoon May Day Fete. She returned home on Sunday afternoon.

To meet the need for a hybrid corn which will mature at high elevation, the State College Extension Service will experiment this year with 10 acres of West Virginia Yellow Hybrid 1163. The demonstrations will be conducted in fields of 3,500 to 4,000 foot elevation in the mountain section of Western North Carolina.

Honored at Dinner

Mr. and Mrs. Carvel Cheves and Ted Cheves of Bunn and Mr. and Mrs. Frank Massey of Zebulon, entertained at dinner, Saturday evening, at Teel's Supper Club, honoring Miss Helen Bunn of Zebulon and Glynn Dickerson of Bunn, whose wedding takes place May 15th.

The dinner table was centered with an arrangement of peonies and roses. Miss Bunn was given a corsage of red roses. Bridal place cards marked the places of the guests, and at Miss Bunn's place were gifts of silver in her pattern, from the hosts.

A three course dinner was served by candlelight.

Guests: were Miss Bunn, Mr. Dickerson; Mr. and Mrs. Armstrong Cannady and Miss Ruby Dawson.

Entertains at Bridge

Mrs. Eugene Privette delightfully entertained members of her bridge club, last Wednesday afternoon at her home on Arendell Avenue.

Upon arrival guests were served a delicious dessert course. Three progressions of bridge were enjoyed, after which the hostess presented Mrs. Robert Dawson high score prize, with low going to Mrs. L. E. Long.

Those playing were Mesdames L. E. Long, Ferd Davis, H. C. Wade, Wallace Temple, R. H. Brantley, Wallace Chamblee, Robert Dawson and the hostess.

Mr. and Mrs. Wilbur Oakley of Zebulon, Route 2, announce the birth of a daughter, Helen Elaine, April 26, in Mary Elizabeth hospital. Mrs. Oakley is the former Miss Elsie Privette.

Has Operation

Bill Bowling, son of Mr. and Mrs. J. W. Bowling, is in Garfield Hospital in Washington, D. C. having undergone a lung operation.

Through a careful breeding program, commercial egg producers in North Carolina have increased the size of eggs considerably during the past few years.

The artificial breeding program is making progress in Union County. The association now has 241 members and between 1,500 and 1,600 cows signed up.

Many cotton growers in Eastern North Carolina used tractors for planting for the first time this year.

Machinery on the farm is a powerful servant but it is a dangerous one when carelessly used.

Marathon — the famous money saving tire is back in the Goodyear line — and a better "buy" than ever! Back with the economy, long mileage and safety — the extra value for your dollars that made Marathon the favorite of millions of motorists before the war... back with more and stronger cords in the rugged tire body for even greater protection against tire failure. Look at these features...

LONG WEAR — New specially treated cords and newly compounded rubber make Marathon the tire that "runs and runs and runs".

NON-SKID SAFETY — Those famous Goodyear diamond blocks really grip the road. You get safer, quicker stops — especially on wet, skiddy roads.

"COMPACTING TREAD" — Inflation forces the sidewalls out, compacts the tread. This reduces tread wear, punctures, bruises and breaks.

For a really sensational "buy" in tires, see us for Marathons today! And remember "new tubes save tires".
