

THE ZEBULON RECORD

Zebulon, N. C., Friday, May 21, 1948

NCEA PRESIDENT AND FAMILY

Pictured at his home in Southern Pines with his wife, daughter, and son is A. C. Dawson, Sr., who was recently elected president of the North Carolina Education Association, following a term as vice president of the organization.

The new head of the professional group is the son of Mr. and Mrs.

A. C. Dawson, Sr., of Zebulon. He graduated from Wakelon School in 1933, and received his bachelor's degree from Atlantic Christian College in 1937. Since 1938 he has served as principal and coach at Southern Pines, where he developed several championship six-man football teams.

Zebulon Stops Clayton Twice; Play Again Saturday, Sunday

Zebulon swept a two-game series from Clayton last weekend to take its sixth and seventh victories in Tri-County League play. Station hurred a 20-10 win at Clayton Saturday and Frank Lewis handcuffed the visitors, 10-6, on the Wakelon diamond Sunday. Harry Dowda was the big gun in the Zebulon attack, collecting seven hits for the two games.

Saturday's game was an old-fashioned slug-fest with 32 hits collected by the two teams. Thompson and Timberlake batted three each for Zebulon and Dowda swatted four.

Zebulon spotted the visitors five runs in two innings Sunday afternoon and then jumped on two Clayton pitchers for 15 hits, including a home run by catcher Lane, to stomp the visiting nine.

After a wild first inning, which saw two hits and two errors produce four runs, Frank Lewis and his mates settled down to hold Clayton in check. Lane led Zebulon at bat, getting three hits and scoring four runs in four times at bat. Big Harry Dowda hit three for five. Lewis, Gregus, and Thompson got two each.

Bill Gregus stole the show with two tremendous throws from deep right field, one to home plate for a double play, and one to third base for a tag-out. Thompson robbed Clayton of a home run with a beautiful jumping catch in left field.

Clayton plays Zebulon tomorrow at 3:30 and Zebulon goes to Clayton for a game Sunday afternoon at 3:00.

Rotarians Entertain Wives Friday Night

The Rotary-Annes were feted last Friday night when the Zebulon Rotary Club observed its annual Ladies' Night with a supper meeting in the yard of Rotarian Dr. L. M. Massey's house. Delicious barbecued chicken was served to the members and their guests.

An entertaining program was presented, both the Rotarians and their Rotary-Annes taking part.

Graham Bunn was taken to Rex Hospital in Raleigh for an appendectomy last week.

Mrs. H. C. Wade Presents Dancing Class in Benefit Performance Here

A full house witnessed Mrs. H. C. Wade present her dancing class in "Footlight Fantasies," a program sponsored by the Girl and Boy Scouts of Zebulon. Thirty-nine dance routines were featured on the program.

Piano accompanists were Mrs. Ollie Pearce, Mrs. Ed Ellington, Kenneth Hopkins and Charles Horton.

Between scenes Miss Brooks Pearce sang "Love Is So Terrific."

Soloists in the dances were Carolyn Hinton, Joan Allen, David Al-

ford, Betsy Alford, Terry Kemp, Dottie Privette, Carolyn Beck, Patricia Murray, Emma Kay Dawson, Faye Gill, Rodney Bell, Gayle Privette, Jean Bunn, Ann Winstead, Ann Upchurch, Harold Brown, Charles Allen Weathersby, Linda Bridgers, Billie Wayne Perry, Ann Upchurch, Elva Jane Cox, and Eloise Bogen.

Nearly \$150 was realized from the venture. This sum will be deposited for use in building a new Scout building for the Girl and Boy Scout troops.

Wake Health Officer Asks Aid In Fight on Typhoid, Diphtheria

Six Zebulon Students Making Good Records At Baptist College

Representing Zebulon this spring are six students at Wake Forest College, which has a record-breaking enrollment of 2,000 students this year. The Zebulon students are Mary Alice Jones, freshman; Edythe Medlin and Mack Perry, sophomores; Charles Horton and Wilbur Massey, juniors; and Kay Williams, senior.

Miss Williams is one of the most prominent members of the senior class. She is president of Tassels, women's honorary leadership fraternity, is listed in Who's Who among students in American colleges and universities, is a leading member of the Little Theater, is affiliated with Beta Beta Beta, national honorary biological fraternity, is a representative on the women's student government, and made the honor roll last semester.

Miss Medlin is a member of the college band while Perry is affiliated with the Pi Kappa Alpha, social fraternity. Miss Jones is associated with the Sunday School. Massey and Perry are veterans.

Miss Williams and Miss Jones are planning careers in medicine; Massey and Perry in business; Horton in the ministry; and Miss Medlin as a psychologist.

Scout's Father to Give Troop Trip to Resort

The Zebulon Boy Scouts met Monday night in the Scout Hut to discuss plans for a proposed trip to White Lake. Scout Jimmie Joyner brought word that his father has offered the use of his truck for such a trip, and the troop set June 5 as the tentative date of departure.

Only 15 members of the troop will be able to go on the Joyner truck, and the Scout leaders are trying to decide on some method of choosing the lucky Scouts who will make the trip.

The Boy Scouts served as ushers for Mrs. Wade's Dance Review Tuesday night. The Troop expressed its sincere thanks for everybody's help in making the review such a financial success.

Hail Storm Monday

Heavy hail fell Monday afternoon, May 17, covering nearly all of Wake County. Loss of tobacco was reported from several sections and other communities told of other crops being damaged.

At the Raleigh airport several fabric covered planes were damaged when the hail stones tore holes through the wings.

To Fill Methodist Pulpit

In the absence of Rev. Paul Caruth, pastor of the Zebulon Methodist Church, the pulpit will be filled by the Rev. E. C. Durham of Raleigh. Morning worship will be at 11:00 a.m.

Mr. Durham is well known to many local residents, from his long habit of writing letters of sympathy to his fellows in their times of stress.

INCUMBENT

CHALLENGER

Pictured above is Senator William B. Umstead, and below is former Governor J. M. Broughton. Both are candidates for the Senate seat to which Umstead was appointed by Governor Cherry. Mr. Broughton is generally considered the leading candidate locally because of associations begun with a school teaching position in Bunn and a later judgeship of the local Recorders Court, although Senator Umstead has gained ground with his labor stand and appeal to veterans through his combat record.

Singing Convention

Singers from North Carolina will be heard from coast-to-coast over the Mutual Broadcasting System when they gather on Sunday, May 23, for the Eastern Carolina Singing Convention sponsored by the Wilson Junior Chamber of Commerce.

Bulla Cites Department Vaccination Schedule For Entire County

By A. C. Bulla, M. D.
Wake County Health Officer

We will begin our annual typhoid and diphtheria vaccination campaign on May 31 and will continue for three weeks through June 19, 1948. Dispensary points will be held throughout the entire county at centers most convenient to the greatest number of people.

Call together any group of representative citizens of your community and ask them this question: What do you most desire for yourself and your community? I think the answer would be, freedom from disease, which would mean good health for each individual and good health for the community.

This community in which people live is no healthier than the people who live in it. This has been true in the past, and it is true today. There can be no isolationism in the field of health and, today, with rapid means of communication and travel, it is difficult to isolate an individual and it is more difficult to isolate a community.

Full Time Program

The fight against infectious and communicable diseases is a task for each individual in the community and the combined population of the community. The all-inclusive objective of any sound program for the prevention of communicable diseases, and the eventual eradication of them, depends upon six well defined activities for which the health department, local governments, individuals, and groups of individuals, and groups of individuals are responsible.

1. It is the duty and responsibility of the health department to provide and make available to all the people the best and most modern means of preventing and controlling communicable diseases by the administration of vaccines and sera and the application of other preventive measures.

2. It is the duty and responsibility of local governments of incorporated towns to provide water and sewerage facilities for all its citizens — not 50 percent or 90 percent part of the time because of water cut off for non-payment of dues but to 100 percent all the time.

3. Occupants of each home have

Local Landlords Reminded of OHE Directive to Use More Red Tape

Forms on which Zebulon landlords must report the termination of lease are now available and should be executed immediately, it is announced by R. B. Lewis, Area Rent Director, Office of the Housing Expediter, 303 Capital Club Building, Raleigh.

The new Housing and Rent Act of 1948 requires that if a lease increasing rents up to 15 percent has been terminated before the expiration date, a report of its termination must be filed by the landlord with the local rent office within 15 days after termination.

In situations where leases had expired on or before April 1, 1948, a "reasonable time" has been allowed for filing reports because landlords in some areas were not familiar with a provision of the new law requiring such reports by April 16, and because of delay in printing the new forms, (D-96) he explained.

The Area Rent Director also cautioned landlords that the new leases to secure or exhaust the 15 percent increase provision of the law must be filed with his office within 15 days of execution.
