We are sorry that Lazelle Lewis is sick. We hope that she will soon be well and out again.

Misses Winnie Cone and Merle Brooks are home on vacation now.

Mr. and Mrs. Oris Medlin had an old fashioned tobacco tying Monday night and invited several of their friends to take part. We were served cokes and cookies and afterwards Cadwin Cone played the piano and had a dancing party. That's a fine way to get tobacco tied and enjoy it at the same time.

Mr. Bailey Stallings gave a barbecue down at Domie Bunn's barn on Wednesday night and everybody that would bring a chicken took part.

Mrs. Crama Ray had a dinner party last Sunday evening at her home honoring Mr. and Mrs. Kermit Tunnell and children of Durham;

Mr. and Mrs. Bruce Young and children of Bunn; Mrs. Robert Brantley and Mrs. Ed Fowler of Rolesville; and Mrs. R. L. Hagwood of the community.

Nearly everybody is through barning tobacco now. So now I guess everybody will be busy tying tobacco. "No rest for a farmer."

Regular church services will be held. We hope our children will soon be able to come back to church.
