

**Mrs. Theo. B. Davis Is Honored by Class**

The regular meeting of the Davis Fidelis Class was held Monday night in the home of Mrs. J. S. Buffalo. The annual election of officers was held and a study was made of their duties. The retiring president, Mrs. Paul Strickland, was in charge, and the devotional was led by Mrs. Douglass Cooke.

Following the business session the social hour was a surprise birthday party for the teacher, Mrs. Theo. Davis. The dining room table, covered with an imported linen cloth of Chinese make, bore a large centerpiece of dahlias, asters and tube-roses. White tapers formed presents partially encircling a large, elaborately decorated birthday cake at one end of the table and a service for ice cream at the other. These were served by the hostess and the class president.

Other members served ginger ale.

On returning to the living room the honoree was showered with miscellaneous gifts.

**DELIVERIES, PRICES, TRADE-INS  
FINANCING, ACCESSORIES**

When a manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should break all records. Add to this today's pent-up need for automobiles—plus continuing shortages of steel and other critical materials—and you'll see why we have a real problem on our hands. We value the good will of all our customers. We would like

to provide all our customers with new Oldsmobile cars. But unfortunately, this can't be done overnight. That is why we are taking this opportunity to reaffirm publicly our POLICIES ON PRICES AND DELIVERIES. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you.
