

WAKEFIELD NEWS

Our church was decorated very pretty with beautiful potted plants by Mrs. Raleigh Sherron last Sunday, but there was something still more beautiful—the smiling faces of the children that had been away so long. We were glad to have them come back, but we only had a hundred of them and we should have had three hundred. There are plenty of folks to fill a church several times if they would only come. Everyone ask one to come next Sunday and I think we will have a great many more.

We are missing you, Mrs. Bridges and Edith.

Justice Hicks had a letter from Edith Bridges and her mother. They are teaching at Rodanther, N. C., and are liking it fine.

Miss Justine Hicks, Bettie Jean Gay, Eugene Perry, Pearl Nolan, Donnie Pug Hicks, and Magadeline Hocutt visited relatives in the western part of the state over the weekend. They also visited the Morrow Mountain.

Mr. and Mrs. Earl Hicks and children of Saratoga visited the Otis Hicks over the weekend.

We are very sorry to learn Mr. W. S. Broughton is sick. That's not natural for he is always OK every time you see him. Dr. Thomas thinks he will be good as ever soon, and we all hope so for we miss him terrible when he is not out. Mrs. Ola Ferrell is his nurse. She said its the first time she has nursed him in fifty years. Now if you don't watch out somebody is going to tell their age so I better hush. Mrs. John Broughton said it is the first time he has had a meal in bed in six years. Now that's a good record, I think. Hands up if anyone else has one any better. Hurry up, uncle Bill, and get well and let's go fishing.

Mr. Edward Hood came to Raleigh to bring Edward, Jr., to enter State last Thursday. You see, children will walk in the footsteps of their parents, so let's be careful so they will walk right.

Mrs. E. W. Hood went home with Mr. Edward Hood for a few weeks. It is the first time she has been since last Christmas.

Mrs. Posa Browning spent the weekend with Mrs. Vera Rhodes. Birthdays are still in rotation. There are right many September flies.

Mr. John Broughton and Mr. E. A. Rhodes both has birthday last week.

We are glad Mrs. Mamie Kimball is back with us. We sure do miss our faithful ones when anything happens to them.

Mr. and Mrs. David Elks spent the weekend with the E. A. Rhodes.

Little Jimmy Hodge is some better but not able to go to school yet. Mrs. W. M. Hood spent two days with Mrs. Vera Rhodes. She is just visiting around while Wayland is in Canada curing tobacco. He is supposed to be back soon.

Mr. and Mrs. E. A. Rhodes and Ben Allen came to see the H. A. Hodges and me after church Sunday night. It was a treat to have them.

I hope everybody will come to church next Sunday that possibly

can and we will have a good crowd.

By now,
Vera Rhodes.
