Wakelon Eleven to Play Cathedral Latin Today

Coach Jacob Smith's Wakelon Bulldogs, fresh and confident after their smashing 24-6 victory over Wendell last week, will meet a strong and fast Cathedral Latin eleven from Raleigh on the local football field this afternoon at 3 o'clock. The Bulldogs came through last week's contest without injuries and will be at full strength today.

Frances Wall, Bob Sawyer Serve Masons

Zebulon Lodge No. 609, AF&AM, held its October meeting Tuesday night at the Masonic Hall with Worshipful Master Ralph Bunn presiding. The business meeting followed a barbecue supper served Masons of the Zebulon and White-stone Lodges by Francis Wall and Bob Sawyer.

Plans were discussed for the establishing of a unit of the Order of the Eastern Star here, with both the Zebulon and Wakefield (White-stone) Lodges serving as sponsors. An organizational meeting is tentatively scheduled for Wednesday night, October 13, at the local hall.

AT POPLAR SPRINGS

Church to Get New Pews

The Woman's Missionary Society of Poplar Springs Baptist Church held a barbecue supper in the church last Saturday from 5:00 to 7:30 p.m., feeding several hundred persons. Proceeds from sale of tickets to the supper will be used to buy new pews.

Poplar Springs Church is a member of the Pilot-Pine Ridge-Poplar Springs field of Baptist churches, of which the Rev. M. A. Pègram is pastor. Located just off Highway 39 south of the Bunn prison camp, it is a member of the Tar River Baptist Association.

Rain and a muddy practice field have hampered preparations for the game and the coach stated that his boys are in need of a great deal of work to perfect their timing in the tricky T formation he has installed.

The Cathedral Latin team lost a heartbreaking game to Erwin last week in the last two minutes of play by a 7-6 score.

Quarterback Bobby Bridgers and hard-charging J. C. Liles will be hard pressed to match the play of triple-threat Tommy Peatross, who is no stranger to Zebulon. He was a first string cager for Cathedral Latin when they met Wake-lon.

Expected to start in the back-field with Bridgers and Liles are halfback K. D. Lloyd and Jimmy Greene, 190-pound fullback. Linemen have not been chosen, although Dan Privette, who turned in a sparkling offensive and defensive game at center last week, is likely again to play that position. Other linemen are Bill Brantley, Ralph Lewis, George Massey, Bobby Phillips, Johnnie Gay, Fred Mangum, Worth Cromm, and Robert Kitchings.

Zebulon Town Board Discusses Sanitation, Vice Problems Here

A discussion of outdoor privies, the cemetery, and vice concerned members of the Zebulon Board of Commissioners when they met with Mayor R. H. Bridgers in the town office Monday night for their October meeting. With no pressing business on tap, the commissioners devoted much of the evening to plans for improving the town.

Town Clerk W. B. Hopkins was asked to mail letters to homeowners inside the city limits informing them of the town ordinance prohibiting outdoor toilets in Zebulon. With sewer pipe and toilet fixtures available, the town government expressed the opinion that everyone can comply with the law.

Concerning the cemetery, the town clerk said that extensive work has been done in eliminating the broom sage which has plagued the place for so long. He has had the hillside prepared for rye grass so that it will be green throughout the winter.

An application for a beer license brought on the discussion of the general reputation of establishments selling the beverage inside Zebulon. Opinion was that in general the reputation of store handling beer is good, but complaints have been received by the chief of

Hopkins Chapel WMS To Sell Supper Today

The Woman's Missionary Society of Hopkins Chapel Baptist Church will have a barbecue supper at Hopkins Cross Roads tonight from 5 o'clock to 7:30 for the benefit of the church building fund. Plates will cost \$1.00 each.

The Hopkins Chapel Church, which was constituted in 1850, has recently begun modernization of its structure. A butane heating system was recently purchased, and will be in use during the coming winter.

In order for the system to function properly, further insulation of the church building is deemed necessary by the building committee, and funds obtained from the supper tonight will be used to put a new floor on top of the present one.

The Zebulon Rotary Club will be served their regular Friday night meal tonight by the Hopkins Chapel Woman's Missionary Society, President Vester Brantley has announced.

Bunn Is Champion Of Tri-County Loop

The Bunn manager states that the Bunn team was awarded the championship of the Tri-County League by Vernon Hill, league president, when Pearce failed to appear for the final games of the scheduled series. Bunn had won the two games played.

AT THE ROTARY CLUB

War Bride Makes Talk

Interesting facts of war-time England were related to members of the Zebulon Rotary Club by Mrs. Paul Murray, a GI bride whose home was in Norwich, Norfolk County, England, before she came to this country about two years ago.

After telling of the rationing system in England, Mrs. Murray compared the fare there with what is served in America, and the club members found that Americans eat exceptionally well.

The school system in England is conducted differently from what we have in this country, Mrs. Mur-

The game will be broadcast over WRAL and the Tobacco Network, and possibly the Dixie Network.

Zebulon Shriners taking an active part in promotion of the benefit game are R. Vance Brown, Eugene Privette, and Garland Godwin.

Charles Shannon Is Monroe Police Head

Charles M. Shannon, former chief of police in Zebulon, recently was appointed chief of police of the town of Monroe. He has served as assistant chief for a number of years, and became head of the police force under the merit system upon the retirement of Chief Armfield.

His appointment was popular in the Union County town, *The Monroe Journal* saying: "Chief Shannon's six years with the department and other experience, as well as his character and personality, indicate that his advancement has been a wise choice."

Mr. Shannon is married to the former Miss Alene Clark, daughter of Mr. and Mrs. John Clark of Zebulon.
