Delicious Riceland Rice Pudding

1 cup cooked Riceland Rice
2 cups milk
2 eggs, separated
1/2 cup sugar
1/4 teaspoon salt
1/2 teaspoon vanilla

To cook Riceland Rice: Put 2 cups of Riceland Rice, 2 teaspoons of salt and 4 cups of cold water in a large saucepan and cover with a tight-fitting lid. Set over a hot flame until it boils vigorously. Then reduce the heat as low as possible and simmer for 14 minutes more, during which time the water will be absorbed, making the rice deliciously tender. Remove the lid, permit the rice to steam dry to the desired consistency and the grains will be separate and fluffy. Always use Riceland Rice for best results.

To make pudding: Add cooked Riceland Rice to milk and heat to scalding point in top of a double boiler. Beat egg yolks with sugar. Add hot Riceland Rice and milk mixture slowly to egg yolks and sugar, beating vigorously. Pour all back into the top of the double boiler and cook over hot water until thick. Fold in raisins or chopped fruits if desired: Place in a buttered casserole or pudding pan. Cover with meringue and bake in a 350 degree oven until the meringue is lightly browned.

To make meringue: Beat egg whites until stiff. Gradually add four tablespoons sugar, beating until the meringue will stand in peaks. Spread over top of pudding.
