Come In to See Us, Friends

Christmas Eve is coming soon—now, you dear old man, woman, or child, it's time to begin meditating on what you expect to give and be given this joyous Yuletide Season. Our shelves and counters are filled with wonderful items, and we haven't even started unpacking stuff yet.

Of course, if you're like most of us who do our shopping on December 24 about 8:00 p.m., you aren't ready to buy gifts yet. In that case, come on in and buy some razor blades, or face powder, or billfold, or Coke, or just come in for a little conversation. We're glad to see you.

Being a drug store, we'll make honorable mention of our prescription counter. We let it advertise itself by compounding pure prescriptions exactly as your doctor orders. Folks trust us and appreciate our prices.
