

Hopkins Chapel News

The Girls Auxiliary met Saturday afternoon at the Crossroads. The topic of the program was "Making Christmas Truly the Birthday of Christ." It was a very interesting program. We also sang Christmas carols. There were 16 members and one visitor present. Our next meeting will be held the third Saturday afternoon in December. At that time Mrs. Morgan, our pastor's wife, will teach a study course.

The Hopkins Chapel W. M. U. will meet Saturday afternoon at the Crossroads.

We hear that Lester Perry, Warren Fowler, and Mrs. Lucy Hodge are ill. We hope they will soon be well.

Mr. and Mrs. D. A. Cope and Dorothy Lee visited Mrs. Iris Temple Sunday night and went to church here. We were very glad to have them at church and hope they will come again sometime.

Mrs. Ed Baker fell Monday and injured her shoulder. We have hope she'll get well real soon so she can go fishing again. The only person I know who likes to fish better than Mrs. Baker is Mrs. Vera Rhodes.

As we enter into the festivities of the Christmas season this year,

I think it is more important than ever before that we have the true Christmas spirit of giving not to receive gifts in return, but to the poor and needy. We cannot give our gifts to Christ except by giving as the Bible says, "to one of the least of these." If we have nothing else to be thankful for this year, we can thank God for sparing our country from starvation and for enough clothes to keep from freezing. There are so many children in other lands who would appreciate shoes and clothes from our bountiful supply.

CHEVROLET ADVANCE-DESIGN HEAVY-DUTY TRUCKS

Only Chevrolet Heavy-Duty Trucks offer all these extra-value features!

Speed and momentum are maintained on grades with Chevrolet's 4-SPEED SYNCHRO-MESH TRANSMISSION!

Another Chevrolet innovation, the new SPLINED REAR AXLE HUB CONNECTION insures added strength and durability.

Chevrolet's famous CAB THAT "BREATHES" brings you all-weather comfort!

Chevrolet's LOAD-MASTER VALVE-IN-HEAD ENGINE, is now more durable and efficient in operation.

Plus • The Flexi-Mounted Cab • Uniweld, all-steel cab construction • All-round visibility with rear-corner windows* • New, heavier springs • Full-floating Hypoid rear axles in 3/4-ton and heavier duty models • Hydrovac power brakes on 2-ton models • Ball-bearing steering • Wide base wheels • Standard cab-to-axle dimensions • Multiple color options

*Heating and ventilating system and rear-corner windows with deluxe equipment optional at extra cost.

There's a mighty big difference in heavy-duty trucks and you'll know it the moment you hit the highway in one of Chevrolet's new heavyweight haulers. For there's a rock-solid quality, an ease of handling and pull-away power in these Advance-Design trucks. But discover the facts yourself. Compare values! Then—compare prices! You'll find that only Chevrolet heavy-duty trucks have 3-WAY THRIFT—low cost of operation, low cost of upkeep and the lowest list prices in the entire truck field!
