

WAKEFIELD NEWS

We had 136 at Sunday School last Sunday and a lot more to come for church. We are glad to have you everyone welcome. Come again. We also had the Girl Scouts and their leader, Mrs. Eugene Privette. We are very proud of them. I think it is a fine organization. We wish them well in their work.

We are glad Mrs. R. F. Hendricks is able to be out again.

The Rev. and Mrs. Kermit Comb and Peter, Steven, Christopher, and John were dinner guests with us tonight. We enjoyed them very much. We will have church next Sunday night at 7:30. Come for we will be glad to see you.

A Stanley hostess I'm to be with pleasure. I'd like to have you as my guest. Please note the time and date. Monday, March 21, at 7:30. Come one, come all. Be on time and join the fun. The more the merrier at my home.

There will be a Home Demonstration Club meeting at the Wakefield Club house Wednesday, Mar. 23rd, at 2:30. Please be present. The Tailored Look Sewing Demonstration will be given and you will be taught to put in a zipper the right way. I always get mine in wrong and have to take it out and try again. Not so with this new way. It's perfect and that one thing is worth your time to come. Bring a zipper old or new and needle and thread, thimble too. A piece of cloth about 12 inches square and we will show you the rest.

Bring your purse and all your dough. A Stanly Party will be given next. I won that silver pastry server last week. It's beautiful. If you miss it you will miss a lot of fun. You can get the household supplies you need, and we will get a commission on what is sold for our club house to fix it up inside. We also need a dozen or two plain cane bottom chairs. I wish someone would donate these before our next meeting. There will be room for everyone that will come, I am looking forward to seeing you.

I will try and hit the highlights Sunday night we had church and all present met our new pastor who gave us a good sermon. I wish you all would just make up your minds to come to church and put first things first and all others will be added unto you.

Mr. and Mrs. Coley Arnold, Mrs. L. G. Faulkner, and myself attended a banquet and demonstration at the Tire Sales & Service Company in Raleigh. Monday night, which was enjoyed by all. Mr. Arnold won an electric defroster for his car.

Today, Tuesday, was a day I won't forget soon. I attended the funeral of our beloved North Carolina Senator, J. M. Broughton. The biggest and prettiest I have ever witnessed. Mr. and Mrs. L. G. Faulkner went with me.

The flowers were beautiful. One design was the Pearly Gate with a white dove sitting on top. An Eastern Star and Masonic design was also beautiful. We regret losing him very much. Our sympathy goes to the family.

Tonight we held open house at the Wakefield Baptist Church with a reception for our new pastor and his family. The Bethany people also joined in with us. We all had a good time. We were glad to have Rev. Carlton Mitchell and wife, also Rev. and Mrs. Herring, and several others from Zebulon to come. Also some of the Wakefield teachers. Punch and cookies were served in abundance. We had several solos and a lot of good singing. All enjoyed it immensely.

Mrs. Ola Ferrell spent some time with her brothers, Mr. John and Bill Broughton, last week. Mrs. Ervin Cherry and Mr. and

Mrs. Lester Greene and Mrs. Clarence Corbett were guests of the John Broughtons Sunday. Mr. and Mrs. Leo Lyner were supper guests of her father Mr. John Broughton, Friday night.

Sorry to hear Mrs. Craven Brown is in Mary Elizabeth hospital. She is the former Hazel Winstead. Hope she will soon be better.

We are glad to welcome the Allen Pippins back to live in Wakefield. Come to church.

The cancer drive is on the next few days. I am appointed to work this road by here, so don't be surprised to see me at any time. Keep those pocket books handy for we want everyone to have the pleasure of giving to this great drive. It may be the means of saving your life or others. There is a free clinic at Watts Hospital in Durham open each Thursday at 8 o'clock to the public. When we reach 40 it's time to take an examination and see how we stand. The old saying is life begins at 40. I am expecting mine to begin the 6th day of August, 1949, so wish me luck, will you, please. No kidding I will be seeing you soon.

Mr. and Mrs. Howard Faulkner and family, Mr. and Mrs. H. V. Faulkner and family of Knightdale, visited the L. G. Faulkners' Sunday p.m.

Mr. Walter Bryant Hood was home for the weekend here, and he is stationed at South Carolina at Fort Jackson.

That Hot Point kitchen got me in the notion to change stoves. I have a '41 model electric range to sell. It is just like new. If anyone is interested, see me. I also have a Blue Baby range with good resistor. You think I am going out of the cooking business, don't you. Well, maybe I am. I'm getting too fat. —Vera Rhodes

CHEVROLET

*See the difference...
Hear the difference!*

The Styleline De Luxe 4-Door Sedan
White sidewall tires optional at extra cost.

That solid and satisfying sound when you close the door of a Chevrolet Body by Fisher typifies the finer and more durable quality which runs all through the car. There's nothing flimsy or "tinny" about this car; it provides quality that is "true-blue"—through and through!

It's the most Beautiful BUY of all

The most Beautiful BUY for Driving and Riding Ease—with New Center-Point Design

The most Beautiful BUY for Styling. Not only is Chevrolet's Unisteel Body by Fisher more solid, more sturdy and more satisfying to ride in, but it is also more beautifully designed, upholstered, and appointed than other bodies in the Chevrolet field. It has smarter colors, too!

The most Beautiful BUY for Comfort. Here, you can relax as you ride... in a Super-Size Interior... featuring "Five-Foot Seats," extra-generous head, leg and elbowroom, and the advanced heating* and ventilating system of a car that breathes. (*Heater and defroster optional at extra cost.)

Just as you can see the difference and hear the difference born of quality when you close the door of a Chevrolet Body by Fisher, so you will experience the difference when you drive or ride in this car that America calls the most beautiful buy of all.

And what a decisive difference you will find in its driving and riding qualities! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity without loss of road clearance and Center-Point Rear Suspension—brings you an entirely new kind of driving and riding ease found elsewhere only in costlier cars.

Here, indeed, is the most beautiful buy of all—for total car value—because it brings you all these qualities of costlier cars at the lowest prices and with outstanding all-round economy!

New "Dubl-Life" Rivetless Brake Linings—Last up to TWICE as Long!
Linings are secured to brake shoes by a special "Perma-Bond" process thoroughly tested and proved by millions of units under all kinds of driving conditions. Because there are no rivets to limit lining wear or score brake drums, lining life is practically doubled. Chevrolet is the first full-sized car to bring you this important braking advancement!

The most Beautiful BUY for Thrills and Thrift. Nowhere else will you find such a perfect balance of power, acceleration, economy and dependability as you'll find in Chevrolet's Valve-in-Head Engine! That's why more and more makers are adopting Valve-in-Head design.

The most Beautiful BUY for All-Round Safety. You'll enjoy maximum safety with: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the super-safe Unitized Knee-Action Ride.
