Ed Ellington Addresses Rotary Club on Friday

Ed Ellington, popular agriculture teacher at Wakelon School, spoke to the Zebulon Rotary Club last Friday night on the vocational program which is carried on at the school for the boys. His program was another in a series planned by the Vocational Committee of the club headed by Rodney McNabb.

The completeness of the courses was emphasized by Ed, who also told of the tremendous value of vocational agriculture, which is revolutionizing farming in this territory.

Beginning tonight, the Rotarians will begin their meeting at 7:00, instead of 6:30 as has been the case during the winter months. The half hour delay will give extra daylight for members to work in their gardens.

Ten Thousand Expected to Attend Southern Baptist Term This Week

Ten thousand Baptists from 21 states will converge on Oklahoma City, Okla., May 18-22, for the annual meeting of the Southern Baptist Convention — expected to be the largest religious gathering in America in 1949.

Rev. Carlton Mitchell, pastor of the Zebulon Baptist Church, said the 26,822 churches cooperating with the Convention have a total membership of 6,491,981. The number includes 312,246 new converts baptized into the churches in 1948.

The Convention at Memphis will hear reports of the many agencies supported by it both in this country and in foreign mission areas, and will plan for future activity, Mr. Mitchell said. Evangelism and mission expansion are

slated for primary emphasis in the years just ahead.

Day sessions of the Convention will be held in Oklahoma City's 6,500-seat Municipal auditorium and all night and Sunday sessions will be held in Taft Stadium, seating 20,000 people. A youth revival service led by Texas college students Saturday night and an evangelistic service Sunday night are expected to climax the sessions.

The Southern Baptist Convention is one of the most uniquely organized groups in the world. The Convention is constituted of "messengers" rather than "delegates" from the churches, in that no one carries authority to bind his congregation back home to the decisions of the Convention.

Sidney Holmes Accepts First Sergeant's Place In Field Artillery Unit

Robert Lee Privette and Jimmy Green became the first men to enlist in the new National Guard unit being organized in Zebulon when they filled out their papers on Monday afternoon of this week. Dr. Ben Thomas gave them their physical examinations on Tuesday afternoon and both passed easily.

Robert, son of Mr. and Mrs. R. G. Privette, now is ASN 24997900 in the National Guard Field Artillery, and Jimmy, son of Mr. and Mrs. W. H. Greene, has 24997901 as his serial number.

Sidney Holmes, veteran of both National Guard and combat duty in the field artillery, will be First Sergeant for the outfit. Vacancies still exist for many of the other ratings.

Captain Darrell Perry, of the 113th Battalion Headquarters in Louisburg, showed a film on the National Guard to students at Wakelon School on Wednesday morning. Afterward he answered questions about the National Guard.

An estimate on finishing an armory for the battery in the rear of the Recorder's Court building set the cost at less than \$2,000, which will provide an office, strong room, toilet facilities, concrete floor, and fenced in area for vehicles. This money will have to be raised in this community before the work can begin.

Barrie Davis, who will command the battery, said that enlistments will be accepted all next week. He will be in the Theo. Davis Sons building every day beginning Tuesday. The battery first sergeant, Holmes, will assist with recruiting from time to time.

Charles Horton Hired As Summer Worker

Charles Horton has been engaged by the Zebulon Baptist Church as full-time minister of music and assistant to the pastor for the summer months. The children and young people of the community will be led in an extensive program of Bible study, training in choral music and recreational activities under his direction.

Mr. Horton will receive his degree from Wake Forest College this month. Next September he will enter the graduate school of music at Columbia University in New York City to continue his training for the ministry of church music.

Members of Local Boy Scout Troop Take Trip to Fort Macon and Beach

Two carloads of Scouts journeyed to Atlantic Beach near Morehead City for a day of sightseeing and swimming. Hilliard Greene and Barrie Davis provided the transportation, and the group arrived at the beach at 10:50, after a delay caused by a broken oil line of Hilliard's car.

Historic Fort Macon proved very interesting to the Scouts, who went all through and over its rooms, walls, and fortifications.

Porpoises playing offshore roused the curiosity of the troop, which followed the school of big fish about a mile up the beach.

Making the trip were Robert Lee and Herbert Privette, Lowell Ray Pulley, Jack Terry, Bill Brantley, Doug Cook, Bobby McGee, and Clويد Wade. Other Scouts meeting the group at the beach were Jimmy Greene, George Massey and Bill Joe Bailey. Also making the trip with the Scouts were Jimmy Spivey and Loomis Parrish.
