

### Hopkins Chapel

Hopkins Chapel Community is very fortunate. Rev. Charles Howard has promised to be our revival preacher during the week of June 19 to June 25. Bible School will be held the same week. Transportation will be furnished for children who wish to attend.

A series of weekly prayer meetings will begin Wednesday night and will be held each Wednesday night until the revival begins. We urge each Christian who desires a revival to come to this prayer and worship service.

The Lovie Perry Bible Class received a pleasant treat last Sunday morning at Sunday School. Mrs. J. C. Little, mother of Mrs. Raymond Perry, who is visiting Mrs. Perry here from Canada, taught the Sunday School lesson. All the class reported that they thoroughly enjoyed the lessons. Miss Isabel Little, sister of Mrs. Perry, also visited in that class.

Our cemetery looks very unkempt and untidy. It is covered with weeds and briars. Mr. Frank Howell has asked all our church members to decide next Sunday what day they will assemble to carry on a clean-up campaign of the church yard and the cemetery. Let's all be on hand to decide and what is more important, let's be on hand to help at the decided time.

Many of our church members left after Sunday School to go to Wilson to the Singing Convention. In doing so, they missed an inspiring message by our pastor, Mr. Morgan. He preached on the barriers that keep us from the will of God for our lives. He spoke of Christian as sometimes being in God's way. That is something we should all think about. We may be a stumbling block, keeping someone from God.

We have bought new maps and black boards for use in the Sunday School Class rooms. They certainly are a great help in teaching the lesson and in our Training Union programs.

Mr. and Mrs. Milford R. Killion and family are back from Texas and are visiting Mrs. Iris Temple. —Velva
