

Lizard Lick

The Vacation Bible School came to a close Sunday morning with its Commencement exercises at Hephzibah Church. The attendance during the week was very good and the little folks did enjoy it. The program Sunday a.m. was excellent and we do thank all the teachers and all others who made it such a success.

We invite all who will to come to church every Sunday morning and our training union on Sunday night.

We are very glad that Mrs. Dona Todd is home from the hospital and is improving.

Little Tony Alford has been very sick with infected glands in the side of his head. He too is improving.

Mrs. Genie Hinnant shows very little improvement. Our best to all the sick for it is so bad to be shut in these unusually hot days. We wish for all a speedy recovery.

There is a revival meeting each evening this week at 8 o'clock at Central Baptist Church out on the Pool Road near Wendell. Rev. J. N. Stancil and Millard Johnson are doing the preaching and everyone is invited to come and hear them.

Mr. and Mrs. Ernest Parrish and children visitor her parents, Mr. and Mrs. A. E. Carter of near Zebulon Sunday p.m.

Mr. J. D. Fuller and son Carl of State Hospital, Raleigh spent a short while Sunday with W. E. Fuller of this section. They all called on relatives near Rolesville during the day also.

Mrs. Floyd Johnson and children and Mrs. S. L. Yeargin and daughter spent a short while Sunday afternoon visiting Mrs. Betty Johnson of Wendell and Mrs. Lula Yeargin of near Knightdale.

Miss Crettie Sou Parrish of this section went with Mr. and Mrs. Max Rhodes of Big Stone Gap, Va. on a fishing trip at Belhaven Monday of this week.

Not so many of this section turned out at Benson for the singing convention Sunday. Guess it was due to such hot weather and such a large crowd that don't go together so good. Over 10,000 were reported to be there.

We had a bit of excitement on Monday evening of last week when a plane in which Mr. and Mrs. Jimmy Buchanan of Wendell were

riding crashed in a field near Hephzibah Church. Mr. Buchanan was piloting the plane and they were celebrating their second wedding anniversary. Mrs. Buchanan was injured and hospitalized but no bones were broken as was first stated. Mr. Buchanan wasn't hurt very much. The accident occurred due to difficulties in the switching of the gas from one tank to the other. We are glad that both are home and doing fine now and that all is as well as it is with them after such a bad crash.

Mrs. Ervin Fuller and Iris of this section attended the picnic supper at Lake Mirl on Friday of last week from 6 to 9:30 p.m. This was for the intermediate class of the Tabernacle Church and was given by the teachers, Mrs. Allie Hocutt and Mrs. Thurman Driver. There was plenty to eat and all the children enjoyed a long swim after supper was served.

Mr. and Mrs. Max Rhodes and son Lawrence of Big Stone Gap Va., were the Saturday night guest of Mr. and Mrs. Ernest Parrish.

Many of this section joined in the fun in Zebulon Saturday night. The jamboree on the street was very good. There was plenty of singing, music and dancing for good entertainment. Hope it will be even better this Saturday night.

White Lake seemed to be calling for pleasure seekers and swimmers during the week end. Several from this section spent and enjoyable week end there. Among these were Mr. and Mrs. P. W. Wood.

We are very glad to have Miss Mae Gay and Jackie Pearce back after visiting relatives near Louisburg for a few days over a week ago.

COTTON FARMERS OF THE ZEBULON-WENDELL AREA

From all reports, the boll weevil damage this season will be much greater than during the past few years. Unless we poison, we can't hope for much cotton yield.

For those of you who do not have the equipment to poison, we have purchased a 5-row horse-drawn duster, which you may use for a small per acre fee. Dusting should begin now and we'll be glad to have you call us or come in and arrange for time to use the dusting machine. You are under obligation to buy your boll weevil poison from us, however we have a good supply of B H 3-5-40 and GyPhene 20-0-40 in stock at reasonable prices.
