

# THE ZEBULON RECORD

Vol. XXVI. Number 11.

Zebulon, N. C., Friday, July 8, 1949

Theo. Davis Sons, Publishers

## Swimming Classes For Zebulon to Be Given July 11-22

The "Learn to Swim" program for adults and children will get underway on Monday morning at 10 o'clock at Lake Mirl for those who enroll at Zebulon Drug Company before noon on Saturday, July 9.

The Record and the Wake County Chapter of the American Red Cross are the sponsoring groups of the program with the local paper furnishing a station wagon for transportation to and from Lake Mirl.

Red Cross Water Safety Instructors will teach students to swim. Several local junior and senior lifesavers will aid in the program.

There will be no cost attached to this course for enrollees since the management of Lake Mirl is charging no admission for enrollees of the "Learn to Swim" program. The County Red Cross Chapter is supplying swimming instructors, and the Record is supplying one round trip per day to Lake Mirl.

All interested adults and children six years and over are encouraged to enroll in the "Learn to Swim" classes.

## Last Rites Held For Dell Glover

Funeral services for Dell Glover, 46, who died Thursday in Johns Hopkins Hospital, Baltimore, Md., were held Sunday at 2 p.m. at the Bethlehem Lutheran Church near Lake City, Florida. Interment was in the church cemetery.

Masonic rites were conducted by the Lake City Lodge of which he was a member. Funeral was under direction of Wilson Funeral Home.

Mr. Glover was a native of Johnston County, and moved to Tampa, Fla., in 1926 from Rocky Mount. For the past 26 years he was employed as roundhouse fireman for Atlantic Coast Line Railroad. He was a member of the Baptist Church, a Mason, and a Shriner.

He was married in 1928 to Alma Ann Witt of Lake City, who survives him with four brothers, J. W. and A. G. Glover of Middlesex, W. P. Glover of Wendell, Carl Glover of Zebulon and one sister, Mrs. Pearl Moody of Wendell.

## Problems of Christian Faith to Be Discussed

At the 11:00 o'clock Worship Service of the Methodist Church next Sunday morning, the pastor, Paul Carruth, will use as his sermon topic, "Christianity and Communism." The sermon will continue the theme of the relationship of our Faith to the problems of community, national, and international life. Last Sunday the pastor pointed out that our religion can never be exclusively personal since we live, not as hermits, but as a part of our community, our nation, and our world. Therefore, we need to examine our social problems not as citizens alone, but as Christians.

## Masonic Sermon

Whitstone Lodge, AF&AM, will hear a Masonic sermon at the Wakefield Baptist Church Sunday morning at 11:00. All members are requested to be present.

Rev. Kermit Combs, pastor of the church, will deliver the address.

## FOLKS FROM WENDELL TO SEE THESE SCENES

These are scenes from The Lost Colony, Paul Green's internationally famous play, which had its ninth season opening July 2 in Waterside Theatre at Fort Raleigh near Manteo. There will be shows each night, Wednesday through Sunday, with no shows on Mondays and Tuesdays.

Some of the familiar scenes of the play are shown here. At top is the gala court scene where Queen Elizabeth is hostess to

her subjects, some of whom are bringing news of Roanoke Island in a land which she names Virginia, in honor of herself, the virgin queen. At left is beautiful Barbara Edwards, first North Carolinian to play the female lead of Eleanor Dare. Uppococ, the Indian medicine man, is shown in one of his sensational dances at right. ## Wake Farm Agent Says Weevil Infestation Heavy in This Area, Gives Treatment Data

By John L. Reitzel

Boll weevil infestation throughout the county on several farms which have been checked by the County Agents Office reveals that the population is high enough that farmers should begin dusting on most farms. It is recommended that farmers begin dusting when or before the boll weevil infestation reaches 10 per cent. This 10 per cent infestation is determined by pulling at random 100 shapes throughout the field and inspect the shapes for punctures. When 10 or more are found punctured dusting should begin. On several

farms dusting has already started.

The same materials which were recommended last year are again being used. Benzene Hexachloride used at the rate of not less than 10 pounds per acre gave good results last year and is again very highly recommended. This dust should contain at least 3 per cent gamma isomer plus 5 per cent D DT.

Another material which was used last year and is again recommended is Chlorinated Camphene (Toxaphene). For boll weevil control a 20 per cent Toxaphene is recommended. The rate of appli-

cation is 10 pounds or more per acre, depending on the size of the cotton.

These two materials can be distributed by horse drawn dusters, tractor dusters, or airplanes.

Applications should be made every 4 to 5 days until the boll weevil is under control and then close inspection as to boll weevil population is recommended.

Farmers expecting to secure a reasonable yield of cotton this year are encouraged to use boll weevil treatments since all indications point to a high infestation of boll weevils this year.

## Square Dealers, Scribes Tied for Lead

The Zebulon Record Scribes and Ed Hales' Square Dealers ended this week's softball play in a deadlock for first place with three victories and one defeat each. The Scribes topped the Dealers from first place Tuesday, 3-2, but the Dealers roared back to a tie for the lead by winning over the Woodchoppers Wednesday.

Tuesday's game proved the best of the season, as Carlton Mitchell

fanned nine and scattered seven hits to win for the Scribes. Harold Greene pitched for the Dealers, allowing only six hits.

The Scribes scored once in the first inning, but the Dealers put together two hits and two errors for two runs in the same inning. In the third the Scribes collected two runs off two hits and a walk to win the game.

Gordon Temple's WOW Wood-

choppers proved stronger than expected as they battled the Square Dealers all the way on Wednesday. Errors proved too much for the Choppers, however, as the Square Dealers made five runs in the first, one in the third, and three more in the seventh to win, 9-5. Allen Greene was the winning pitcher.

In the other game played on Thursday, the Woodchoppers es-

## Confidence Shown In Street Program By Commissioners

The Zebulon Board of Commissioners, who unanimously approved the ordinance submitting a \$70,000 bond issue to a vote of the citizens of Zebulon, this week expressed themselves as confident the proposal will pass on August 2 by a large majority.

The five commissioners, all of whom live on paved streets, declared that the condition of Zebulon's streets is a disgrace to a progressive town, and they felt that even those voters who live on paved streets would vote to help their neighbors.

Town taxes will not be raised to pay for the interest or principal of the bonds, the commissioners emphasized. The present rate is sufficient to repay all money borrowed.

The financial condition of the town has been investigated and an audit made of its assets and liabilities. This audit is in the town office for inspection by anyone interested.

The issuance of the bonds was endorsed by the Zebulon Chamber of Commerce at a membership meeting held last month.

## Clarence Kemp Dies on Monday

Clarence Kemp, 66, died at his home unexpectedly Monday afternoon after a heart attack. He had suffered an earlier attack a short while ago, but his condition was not considered serious.

Service for Mr. Kemp were held at the local Baptist church Wednesday afternoon with the Rev. Carlton Mitchell in charge, assisted by Rev. Paul Carruth.

The body lay in state at the church for one hour prior to the rites. Burial was in the Maplewood cemetery, Wilson.

Surviving are his widow, the former Cora Hilliard; one son, Hilliard Kemp of Wilson; one sister, Mrs. N. A. Tucker, Henderson; four brothers, J. B. of Zebulon, W. H. of Farmville, A. C. of Wilson and E. H. Kemp of Garner.

## Last Rites Are Held For Dan W. Horton

Funeral services were conducted Tuesday at 4 p.m. for Daniel W. Horton, 65, who died suddenly Sunday morning. Mr. Horton was a native of Zebulon.

Surviving are three daughters, Mrs. R. H. Evans, Richmond, Va., Mrs. Blair Peppel, Fort Smith, Ark., and Mrs. Charles Shmig, Greensboro; one son Dan W. Horton, Jr., Coral Gables, Fla., one sister, Mrs. Bettie Holloway; one brother, T. J. Horton, both of Durham; and four grandchildren.

## National Guard

The minimum personnel quotas were filled last week for the local unit of the National Guard, and all that stands in the way of the Federal inspection is completion of the armory in the rear of the water plant, Capt. Barrie Davis, commanding, announced yesterday.

Harry Patton, building superintendent for Home Builders Coporations, stated that he expected the work to be finished very soon.
