

PLEASANT HILL NEWS

The hot weather didn't stop the people from turning out to church Sunday. In spite of the heat and the hard work during the past week many were there for the services. We were so happy to see so many take part and make such an effort. We welcome all of you visitors.

Our heart felt sympathy goes out to Mrs. James Honeycutt because of the loss of her father, Mr. Jesse Sneads of New Hill on Thursday of last week.

Mr. Ivan Gay Jr. is at this time in Rex Hospital recovering from injuries received in an automobile accident last Saturday night. Miss Frances Hamilton of Raleigh was also injured in the same accident and hospitalized. We trust their condition isn't serious and they will soon be well again.

The deacons meeting at Hephzibah will be held next Friday night at 8:00 in the church basement. We urge all deacons to be present.

Those to enjoy a delicious barbecue dinner of chicken at the home of Mr. and Mrs. W. E. Fuller Sunday were, Mr. and Mrs. M. B. Alford and children. Mr. and Mrs. Ernest Parrish and children, and Mr. and Mrs. Billy Gay and son. Everyone had a fine time even though the hot weather and hot sauce didn't make such a good combination.

Mr. and Mrs. J. T. Hurley and Mrs. J. M. Hurley of Cary, Mr. Herbert Alford of Raleigh, and Mrs. Robert Martin of Bethany Community visited in this section a while Sunday afternoon.

Many of this section called on Mrs. E. A. Ray of Zebulon late Sunday p.m. Among them were: Mr. and Mrs. M. B. Alford and children, Miss Iris Fuller, Mr. and Mrs. Billy Gay and son, and Mr.

and Mrs. W. E. Fuller.

The visitors of Mr. and Mrs. A. C. Hobgood during the week end were Mr. and Mrs. Marcus Wall of Camp Butner, Mr. Edward and Myrtle Hobgood of Wake Forest, also Mrs. Leonard Dean and daughter of Eagle Rock.

Mrs. B. J. Wigg's mother, Mrs. Williford is spending sometime visiting with her in this section.

Many called in the home of Mr. and Mrs. S. T. Whitakers Sunday.

The Training Union is a vital organization in our church. We want to train our boys and girls to be good church members when they become Christians. Do your

best to get them to church every Sunday night at 7:00 o'clock at Hephzibah. They will find it worth while.

The opening of last Sunday nights Training Union was a short discussion of "Discipline In The Unions."

Much excitement happened in this community during the past week and many have expected to find it in this column this week as had been requested by many. We feel that such things aren't for public reading and should be settled by their own parties and is no concern of outsiders. Its not a duty for me to fulfill for I wish

only to do the best in writing this and I don't wish to put any bearing on anyone and I do hope those that read this each week don't expect to find such here. Anything you feel will be worth while and make pleasure for all readers will I'm sure be found here and not heartaches and dissappointments. My concern is for all who wish to

read and enjoy this and not for any certain one and I do thank all for your good cooperation and my desires are to please all and not just some few readers. I appreciate anything worth while that anyone asks me to send in with this news but don't ask of me that you wouldn't care to do yourself.
Mrs. Polly Fuller

How to keep cool — and carefree

This time of year there's one place a lot cozier and cooler than your favorite spot around the house.

That's in your Buick—finding a breeze along dusk-cooled highways, or following those little roads that lead to inviting "loafing grounds."

Either way, whichever pleasure trail you follow, you'll find more fun on the way if your Buick is in top-flight shape to take the miles in its steady stride.

How about letting us put it in that shape for you?

Get one of our conscientious motor tune-ups, and one of our thoroughgoing Lubricare treatments. We'll put the bounce back in your motor—while we're taking the bounce out of your ride.

We do this well because we're Buick men. We know your Buick, we've studied correct factory methods for each operation, we know the factory specifications your car was built to. We use genuine Buick parts—even special Buick tools!

Yet you don't pay a penny more for all these extras. Stop in this week, won't you?

HOW HIGH IS A TUNE-UP?

Our Buick tune-ups go far beyond adjusting your spark and carburetor. We cover a long list of things—your valve tappets, voltage regulator, fuel pump filter, coil, hose connections, and so on.

We even tighten the cylinder head and clean off your battery terminals — and do all this at a low, low flat-rate price that will surprise you!
