

## Lizard Lick

Send a revival, O Christ my Lord,  
Let it go over the land and sea,  
Send it according to Thy dear word,  
And let it begin in me.

Many attended church Sunday in spite of so much sickness even though there could and should have been more. We urge you to come next Sunday to Hephzibah.

The junior deacons held their regular meeting in the Community Center on Monday night of this week at 8:00 o'clock.

Mrs. Harvey Hocutt is directing the work of the Training Union. Beginning last Sunday night, a study course is being given for the benefit of everyone who will attend. The time was Sunday evening at 7:30 p. m., Wednesday at 7:30 p. m., and Thursday at 7:30 p. m.

The Adult Department is studying from the book "Doing Likewise," taught by Mrs. Leo Horton. The Young People are studying the book "Our Faith Heritage," written by Dr. Clyde Turner and taught by Miss Mattie Scarboro. The Intermediates are studying the book "Witnessing For Christ," taught by Mrs. Riley Pounds. The Juniors are studying the book "Living for Jesus," taught by Mrs. R. L. Scarboro, Jr.

We trust many will attend these meetings and much will be accomplished. There is a place for every member of the family in these meetings.

The pastor, Joe F. Roach, has expressed his appreciation to the many people helping him to secure a new car. He has accepted it as a love gift.

We have so many sick it's hard to recall all of them, but we wish

so much to have all mentioned in this column each week. It makes me feel bad to forget someone at the time of writing. I don't do it intentionally. God speed everyone's recovery.

This week we wish to remember Mr. and Mrs. Milton Dean, Mrs. George Yancey, Mrs. Millard Alford, Mr. Alphas Hobgood, and also Mrs. Mary Scarboro, who is suffering from injuries she obtained from a fall on Tuesday of last week.

Mr. Sherwood Horton has left the hospital and gone to the home of a sister, Mrs. Pattie Lou Yancey, to recover. He is much improved.

Mrs. Floyd Johnson's injured knee still pains her and interferes with her safely walking. It jumps out of place, causing her to fall if she isn't very careful.

I'm walking without crutches completely but am hopping, for the joints of the broken leg are still stiff and painful, but it is so good to be walking and improving as is very fast. The kindness shown me and the love gifts are greatly appreciated during my long days of being sick and shut in with a broken leg. It meant so much to me.

Mr. and Mrs. Fernie Hocutt and Jean of the Tabernacle section and Mr. and Mrs. Dock Wilder and daughters of the Woodard Cross Roads section, spent Sunday with Mr. and Mrs. M. B. Alford.

Mr. and Mrs. Jack Liles, Phil and Hilda Kaye, and Mrs. Fannie Bolton, Willa and Billie Bolton, of Wakefield called on Mr. and Mrs. Roger Privette and Mr. and Mrs. Billy Shearon Sunday.

Mr. and Mrs. James Sledge, Mrs. Myrtie and Nuba Bolton visited with Mrs. Stancy Gay Sunday afternoon.

Mr. and Mrs. John Carter and Mr. and Mrs. P. W. Wood journeyed to Newport News, Va., Sunday to visit relatives there.

Mr. and Mrs. E. A. Ray and Miss Nellie Fuller of Zebulon and Mr. and Mrs. C. E. Perry of near Rolesville were Sunday afternoon

visitors of Mr. and Mrs. Ervin Fuller and Millie.

Mr. Ivan Gay and Mr. John Ashley Hinnant called on Miss Zonzel Arnold and other friends and relatives near Louisburg Sunday night.

Mr. and Mrs. J. W. Perry, Jr., and children have moved into this section from Raleigh.

Mr. and Mrs. Floyd Johnson and children spent a short while Sunday night with Mr. and Mrs. Millard Alford.

William Bertie Wood visited Rossie Gay Sunday.

Miss Crettie Parrish was the Sunday guest of Miss Millie Fuller.

Our deepest heartfelt sympathy goes out to Mr. and Mrs. B. J. Wiggs and their families in the death of Mr. Wiggs' brother's daughter, 13-year old Jean, during a fire which destroyed their Tarboro home last Sunday about noon. We do trust none of the others are too seriously injured, and may there be no other deaths in the family of Rev. P. C. Wiggs. Mrs. Wiggs, at this time, and the eight-months old daughter have critical burns and are in the hospital.

There were eight of the children, but, as yet, it is not known how many of the children were in the home at the time of the fire. Rev. P. C. Wiggs and one child were in Washington, N. C., at the church where he is pastor. The fire was said to have started while a fire was being rekindled in a hot stove by the use of kerosene. This

caused an explosion. This is a very serious, sad, heart-breaking thing to happen, and we all do sympathize with all the family more than words can express. May God's blessings abide with them all and may those broken hearts soon heal and all the injured soon recover. God's speed, we pray.

Mrs. Polly Fuller

Need Another  
Tractor For  
Planting...  
Cultivating?

It won't be long now until you'll be wondering how to get your planting done when there's still more plowing and harrowing—or wishing the manure would haul itself when the big tractor's busy—or watching the weeds grow in the corn when the haying can't wait!

Here's a suggestion. With a new Farmall Cub tractor you can plant, cultivate, or mow up to 12 acres a day

...rake at 3 miles an hour...haul faster than a team. You can spray, pump water, drive an elevator, plow snow, saw wood, shell corn, and grind feed.

The Farmall Cub gives you just the right power to replace that last team. Saves hours of feeding, watering, harnessing, chasing. And for each horse you sell, you add 3 to 5 cash crop acres.

And of course when you need parts or service, I'm always here!

See this Farmall at work on your own farm... the white Farmall with the gold stars. Call us for a demonstration now.

We are the only authorized International Harvester Dealer in Wake County.
