

PILOT COMMUNITY DOINGS

Come out this Sunday and worship with us at 10:00 o'clock. We are expecting our 200 mark and over.

Mrs. Lester Brown and Sammy of Pilot Mountain spent a few days here last week with her mother, Mrs. B. B. Brantley.

Mr. and Mrs. Jarmen Finch of Richmond, Va., will spend a few weeks here with her parents, Mr. and Mrs. Lonnie Jones.

Mr. and Mrs. Bob Gawey of Falls Church, Va., spent the weekend here with Mr. and Mrs. S. F. Williams.

Mr. and Mrs. Bill Riker of New Bern were here also with them. Corinne Bissette was home from W. C.

The girls home from Raleigh were Lazelle Lewis, Winnie Privette, Merle Brooks, Virginia Massey, Alice Jones, and Mae Turner who visited with Alice.

Mr. and Mrs. Hurley Williams of Rocky Mount were dinner guests of Mrs. Hubert Bunn on Sunday night.

Mrs. Clifton Perry, Mrs. Hull Carter, and Doris Perry were among the many who enjoyed the supper on Saturday night.

Melvin Williams of Richmond was here for the weekend.

We extend our deepest sympathy to the family of J. B. Alford in their recent bereavement.

Also to Mrs. B. B. Brantley in the loss of her brother.

We have quite a few on our sick list this week: Mrs. Claude Lewis and Mrs. G. P. Massey. Terry Bagwell is improving nicely. Master Jimmy Alford is in Rex Hospital where he underwent an appendectomy. We wish for them a speedy recovery.

If you were one of those who didn't come to enjoy the supper on Saturday night, well, you missed a treat. Ask anyone who came and they will tell you what a real supper we did have here at Pilot.

The boys are getting underway with their spring training. They say it's fine but they are mighty sore.

And they found the stone rolled away from the sepulcher. And they entered in and found not the body of the Lord Jesus. Luke 24:

2-3.

Help us to remember as we commemorate this event that it is the Resurrection of our Lord and that it gives light to every day.

Telephone Wages Are Way Ahead of the Cost of Living

Eight General Increases in the Last Ten Years Have Boosted Wage Rates 117% While Living Costs Have Increased About 73%. Any Further Increase in Wages Would Have to be Paid by Telephone Customers

Telephone employees, like everyone else, have faced a steep increase in the cost of living during the last ten years. What about telephone wages—have they kept up?

As the chart clearly shows, telephone wages have more than kept pace—leaving a substantial margin in our employees' favor. Telephone wage rates have been increased 117 per cent since 1939 compared with an increase of about 73 per cent in the cost of living for Southern cities.

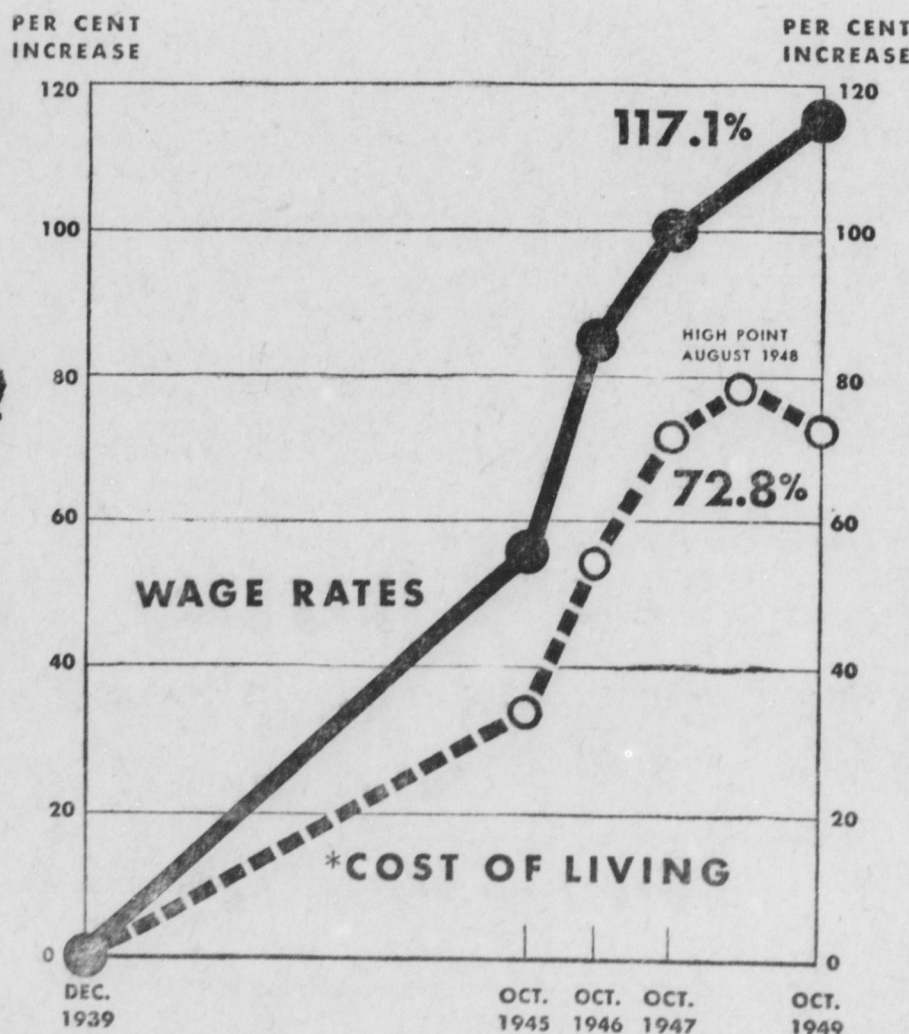

Southern Bell employees have received eight general wage increases in the last ten years. In addition, they regularly receive automatic "progression" raises according to a schedule which begins the day they start work and continues with frequent increases until they reach top pay for their respective jobs.

During the next twelve months, 3 out of 4 Southern Bell employees will receive at least one such automatic increase. Many will get two and three.

Today, as always, Southern Bell people receive wages which compare favorably with those paid by other concerns in the community for comparable skills and experience. Can you think of any yardstick fairer than that?

Add to good wages the assurance of year-round employment, liberal sickness, accident and death benefits, and a pension plan that is among the best in all industry, and you can readily see that telephone employees are doing all right.
