IH PISTONS and SLEEVES

Mean More Power... Save Oil and Fuel

Now's the time to let us put that like-new zip and power back into your tractor. A set of factory-matched IH pistons and sleeves will do the trick quicker and cheaper than anything we know.

A new piston-and-sleeve job will soon pay for itself in the extra work you get done, in lower operating costs and in slashed-down oil and fuel consumption. Besides, you'll have a tractor that's a pleasure to drive... runs clean and smooth... digs into the toughest jobs with power to spare.

Bring your tractor in for an engine checkup today. Our servicemen will give it their expert and unhurried attention now and have it in tip-top shape for the busy season.

Let us install IH Matched Sets

TODAY!

Factory-matched IH pistons and sleeves are made of a close-grained, extremely hard alloy that will take endless hours of punishment. They are ground to a precision fit and mirror-like finish for better compression and greater economy. You can't make a better investment.
