What does MILDNESS mean to you, Mr. Pinza?

**EZIO PINZA,**

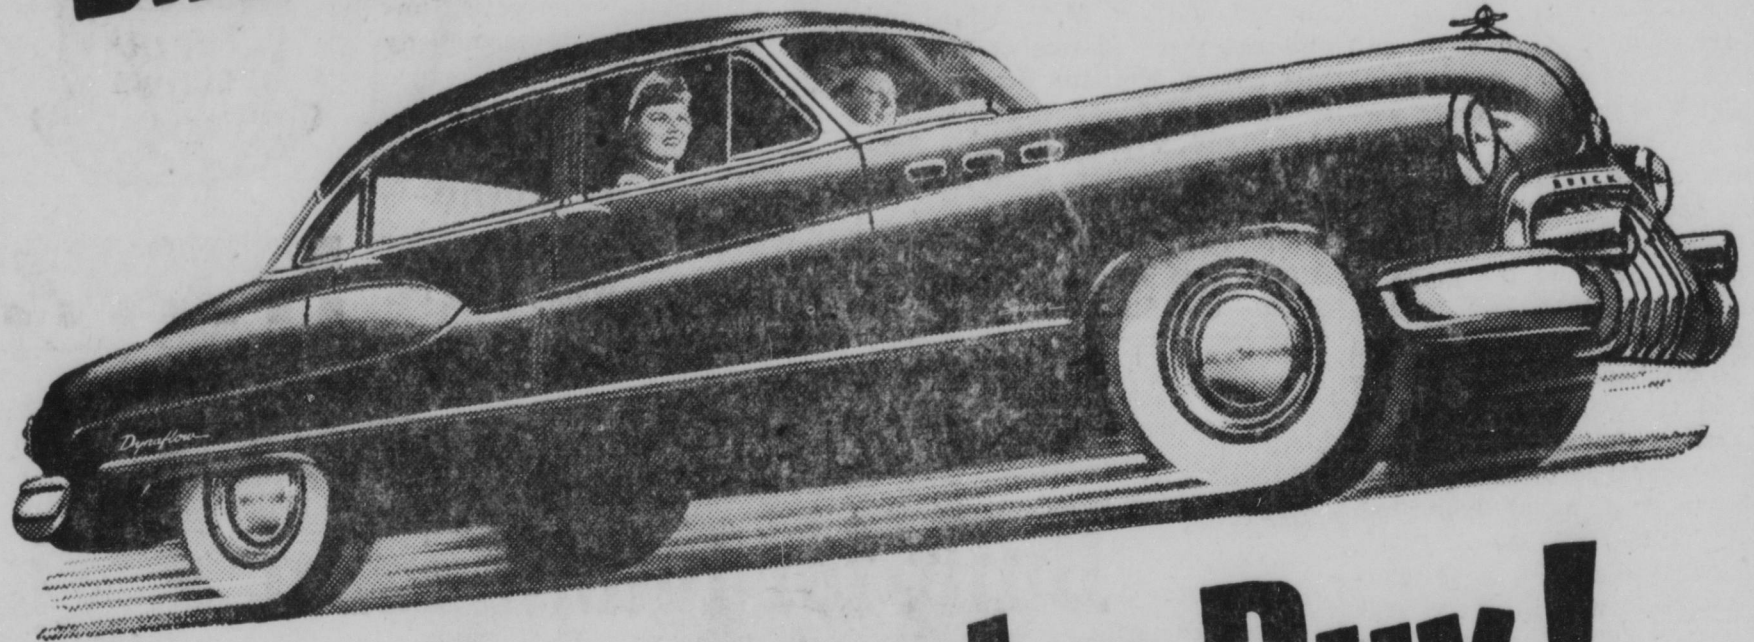

WHO STARRED IN "SOUTH PACIFIC", SAYS:

MILDNESS TO ME MEANS THE CIGARETTE THAT AGREES WITH MY THROAT—CAMEL!

**Bird in hand that's a Beauty**

**and a Buy!**

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has Dynaflow Drive\*—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?
