the Intermediates will be taught by someone to be decided on later. The book will be "Fishers." The Junior book is "Jesus Saves." Their teacher will be announced later also. All members are urged to come. Also others who are interested.

Let your prayers be daily and constantly for the coming revival beginning March 25. Pray for the pastor that he may bring stirring messages each night. Invite visitors and encourage members to attend. Also speak to the lost, unsaved, and uninterested. Put on your whole armor of "Faith, Salvation, Righteousness, Truth, Peace, and the Word of God." God is willing and God is ready. Are you?

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jimenez's statement:

"My son Floyd was very subject to colds. He's eleven years old, and he was run-down, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could no longer see an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Floyd Jimenez

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.
