

MRS. VERA RHODES

Wakefield Highlights

The weather was so rough Sunday, we didn't have such a good crowd, but we always have a good lesson just the same.

A student from Wake Forest, Mr. Pernnell, preached for us. We enjoyed his message very much. His wife came with him.

Our pastor is enjoying his vacation in the Florida sunshine, he says.

Mr. and Mrs. Forrest Hendricks and Johnnie and Mr. and Mrs. F. Eddins and Mrs. Joe Alford are just back from an extended trip to Florida. I just wonder how much fishing Robert did while there, I will find out when I see him.

Mrs. W. A. Adcock, Mrs. Fred Hood, Mrs. E. W. Hood and Mrs. Vera Rhodes went to Durham Monday to see W. M. Hood and family, also others. Mr. Hood is about the same. His address is W. M. Hood, % A. M. Hood, 609 Park Avenue, Durham, N. C.

If anyone of you want to send him a card or go see him he is so glad to see everyone that comes from down here. For after all this is home to him, even if he does have to stay up there where he can be cared for. They hope to come home in warm weather, he is looking forward to it anyway.

At this time I have just had two phone calls telling me our beloved Mr. Carl Honeycutt passed away last night at 7 o'clock. Our sympathy goes out to the loved ones.

We also sympathize with Mr. Herbert Winstead in the death of his brother, George Winstead of Wilson.

We also sympathize with Mrs. Archie Puryear and her family in the death of her husband who was killed Friday night in Lillington in a wreck with two others killed.

We just need to be a little more careful and maybe we would not have so many accidents. You can drive as carefully as you know how and then someone will go by you flying a little too low and almost blow you off the road or just miss you by a hair and make you nervous and jittery. I am glad I am not easy to scare. The closer place I get in the steadier my nerves are. But do be careful and let's live as long as the good Lord will let us and die a natural death.

Mr. Donnie Gay has been in Rex Hospital several days. Went home to Wilson Monday, he is improving.

Mr. Billy Sherron has mumps, hope he is better now. Mrs. Sherron is back home from Rex. Mrs. Sterling Mitchell is better at Mary Elizabeth Hospital. Kay Liles has been sick all week, also Sue Medlin. Mr. Walter Medlin is out again, we are glad to say.

Mrs. Kermit Combs and children have been sick this week. If she is able she will speak to the Mo-

thers, Circle in Wendell Thursday afternoon. She will also teach a study course at Bethany Annex Friday night at 7:00 on the book, "Tangled Threads." All are invited to attend.

The Home Demonstration Club met with Mrs. Helen Jones Wednesday afternoon with Mrs. Vera Rhodes as joint hostess. There were 11 members present with five visitors. Mrs. Young of Raleigh gave a lecture on Girl Scouting and slides to just let us know a little about what we were sponsoring when we agreed to sponsor the Girl Scout Troops in Wakefield. Mrs. Mary Green gave a demonstration on "Talored Tips" in sewing. Mrs. Vera Rhodes and Mrs. Earl Averette gave information on making nylon flowers. The Club is making them for sale to cover the Log Club House in Wakefield. Anyone who wants a flower contact me. We have all colors in the rainbow. We specialize in making them for the Eastern Star Chapters in the Star Point colors.

Will be glad to take orders for any chapter. After we made a flower for those present to see, the hostesses served George Washington cherry pie, ritz crackers with pickle and coffee. We were glad to have the visitors, come again. We will meet again in March at the Club house on the 4th Wednesday afternoon at 2:30. All the ladies of the community are invited to come, it's your club, too. The joint circle of the W. M. U.

met with Matoka Pace and Annie Jones Monday night with 11 present. Mrs. Steven Blackley gave the program. I am sorry I missed it. We appreciate her taking part in it. It is nice to work together. If we only had time to slow down and take it easy long enough to study to show ourselves approved unto God a workman that needeth not to be ashamed. Rightly dividing the word of truth. We need more "Marys," she sat at Jesus' feet and was inspired by his teaching and company, while Martha hustled and bustled around, busy about entertaining and serving and making a big show. Instead of choosing the most important part as Mary did. Let us give that a little thought, will you. I, myself am guilty of being Martha, and a lot of others are also. But don't misunderstand me, she was a good gal, but just overlooked the most important part of Jesus' visit with them. He would visit with us any old time if we will only let him, (stop) and take time to be holy and he will be there in your midst to lead and guide and direct your path.

We are sorry Joe Pippin is sick. Mrs. Kermit Combs and Peter went to Durham about Peter's glasses Tuesday and had to drive back in a pretty snow. I also drove back in it from Durham Tuesday. You had to watch your dots and the other fellow.

I am sorry Mrs. Herman Carter had a wreck with her car that

same day. I am glad she didn't get hurt much.

Mrs. Alice Hood is at Fred Hood's a day or two this week.

Mrs. Frank Hood is sick this week.

Mrs. Harold Green honored Mr. Herman Eddins with a birthday dinner Sunday. A good dinner and most of the family attended and enjoyed it.

The committee meeting of the

Farm Bureau to organize a Woman's Auxiliary will meet at Dr. L. M. Massey's office at 7:30 Saturday night. Chairmen: Mrs. Harold Green, Miss Palmer, Mrs. Lesley Chamblee, Mrs. Vera Rhodes. Dr. Massey and Robert Edd Horton will meet with us so be sure and come on time.

I got to stop and go see if I got a rabbit in my box, so bye now till next week.
