WAKELON POLITICS:

Rebels and Confederates To Go to Polls Tuesday

Kat Baker and Jimmy Joyner will oppose each other for the office of mayor in the election to be held on Tuesday at Wakelon School. The two candidates were nominated by members of the Rebel and Confederate Parties at the Primary last Tuesday, March 25. Also on the election ballot will be each party's candidates for Commissioner.

The election will climax over two weeks of fiery politics at the school. Placards line the halls of the building acclaiming the merits of the candidates.

The Confederate Party is promising paved sidewalks and a program to encourage big businesses coming into the community. Juanna Joy Mitchell is party chairman.

Recreation Promises

Jimmy Joyner, party chairman and candidate for mayor for the Rebel Party, promises recreational facilities including a recreation center. Joyner polled 50 votes to receive the nomination. Lawrence Liles received 19 votes and Ned Moss ten votes for mayor.

In the Rebel race for Commissioner, Leroy Trevathan with 55 votes led the ticket. Other nominees include Billy Massey, 49, Elton Chamblee, 49; Betty Lou Bunn, 42; Jean Robertson, 49; and Glenn Perry, 50.

Kat Baker Wins

In the Confederate race, Kat Baker polled 27 votes to take the nomination for Mayor. Juanna Joy Mitchell received 24 votes and Bobby Perry 14.

For Confederate Commissioner, the nominations went to Billy Hugh Bunn, 40; Jean Richardson, 37; Wayne Massey, 50; Artelia Bailey, 40; Joyce Young, 42; and Ann Strickland, 41.

Rebel Victory Seen

Unless party members split their tickets, the Rebels probably will take the election. They polled 79 votes in the primary to 65 for the Confederates.

Wakelon Nine Loses Game to Millbrook

A strong Millbrook nine took a rain-shortened baseball game from the Wakelon Bulldogs Tuesday on the Millbrook diamond by a 3-0 score. The game was the first of the season for Wakelon, which got only one hit from the Millbrook pitchers.

Lawrence Liles went three innings for Wakelon, giving up three hits. Russell Moss pitched the remaining 1½ innings, also giving up three hits. Moss made the only Wakelon hit. Henry Kitchings caught the entire game.

POSTPONED

The Wakelon - Wendell baseball game scheduled for this afternoon has been postponed to a later date because of a conflict with other activities. The Wendell senior class is making a trip to Washington this weekend, and the Wakelon juniors and seniors will have their annual banquet tonight.

Farm Day Plans Are Made Here

Tentative plans for a Farmer's Day to be held in late April were discussed at a meeting held in the Town Office Tuesday night and attended by representatives of six community organizations. President Frank Wall of the Chamber of Commerce called the meeting and appointed Mayor Worth Hinton chairman of the group.

Chief discussion centered around the type of entertainment and the cost of the proposed special day.

Present were representatives of the Lions Club, Rotary Club, Woodmen of the World, Chamber of Commerce, American Legion, Zebulon Farm Bureau, and National Guard.

A second meeting was called by Chairman Hinton for last night. At that time Frank Wall was to report on the financial assistance which could be given the project by the Chamber of Commerce.

Attending Tuesday night were Charles Hawkins, Charles Creech, Ed Hales, Royle Bunn, Frank Wall, Worth Hinton, M. L. Hagwood, Claud Dunn, Paul Strickland, Pat Farmer, and Barrie Davis.

Public Library for Zebulon Community Is Named Project in Finer Carolina Contest; Club Building Selected as Suitable Site

(The Zebulon Record is publishing the reports submitted to Chairman Wilbur Debnam by members of the Finer Zebulon Steering Committee. The report in this issue was compiled by Attorney Frank Coiner, who is serving as legal adviser for the committee.)

In a modern age of highly specialized training and the almost vital necessity of acquaintance with a vast storehouse of facts and experiences, a public library is a necessary adjunct to community life. Zebulon has no such facility and the need for the same is drastic. The establishment of a public library poses the dual problem of finance and policy.

1952 RED CROSS FUND

Wake Red Cross Drive Extended

The Red Cross Fund Campaign has been extended another week according to an announcement made by Wake County Chapter officials in Raleigh on Monday night.

Willie B. Hopkins, Chairman of the Rotary Club Committee which is directing the Campaign in Zebulon, stated that the Campaign had been extended in order that everyone might have a chance to give to the Red Cross.

Tornado Cited

"The recent tornado which hit several Southern States and left such severe destruction in its wake has placed extra burdens upon the Red Cross. It is estimated that the Red Cross will need \$5,000,000 to relieve personal suffering and repair damage to the homes of the victims of this one disaster. We are calling on the people of Wake County to give \$3,000 to help the people in these stricken areas. In the face of this new disaster, it is more important than ever that we meet our quota in this year's Red Cross Fund Campaign."

The quota for Zebulon is \$600 and on Monday night Mr. Hopkins reported that \$425.00 of this quota had already been met.

Mrs. Wallace Temple Heads Girl Scouts' Camping Committee Here

The Area Day Camp Committee with representatives from Wake Forest, Wendell, and Zebulon, met in the home of Mrs. Wallace Temple, Monday, to formulate plans for the camp which is to be held at Lake Mirl from June 24 until July 3. Mrs. Sam Young, executive director of Girl Scouts, of Raleigh is in charge of the meeting.

All girl scouts from Wendell, Zebulon and Wake Forest will have the privilege of attending the day camp. Rates for the two weeks will be \$4.00 for scouts and \$5.00 for non scouts.

Possible space for the library has already been located in the Woman's Club building. It is ideally suited for the purpose in mind and its expropriation for this use would in nowise infringe upon the activities or purposes of the Woman's Club. There is an attractive outside entrance that opens directly into the space which has outside steps and a stoop covering. The interior has a large bay window, a fireplace, hardwood floors, and has been newly decorated, both inside and out. One entire wall is already occupied with shelves and it will be possible, and highly desirable, to construct ten to fifteen feet of five or six tiered shelving along a second wall which is presently occupied by full length glass doors.

Books Needed

Books of various types must be collected and purchased throughout the town and outside. (An adequate campaign for this purpose may be organized at the appropriate time.) A filing system must be established and a method of lending them formulated. The bare minimum of furnishings would include a desk, chair, and, possibly, one table.

Financial Assistance

The exact amount of financial assistance necessary to complete the project can still be only estimated, but, under no circumstances will it be extensive. A great deal of the time, labor and material initially can be donated as it will be inexpensive and small in amount. The insignificant amount of construction work involved will not call for highly skilled and talented labor.

Advertising Campaign

The aid and assistance of the local newspaper will be sought to aid in the necessary advertising campaign.

As a Committee there have been tentatively appointed, contingent upon their consent, the following: Frank Coiner, Edythe Lee Tippet, Ruth Massey, Mr. Whittenton, Ed Ellington.

The future of the project appears to be excellent, and its reception should be of the same nature.

Applications Available

Applications to the day camp will be available for anyone interested in attending the camp, at a later date from the scout leaders.

Mrs. Temple requests that that anyone 21 years old or older interested in volunteering their services to act as lifeguard during this time, please contact her.
