Entire Community to Be Taken Into AFC Plans At Mass Meeting Here

The entire community will be taken into the organization promoting the five projects entered by Zebulon in the Finer Carolina contest on Tuesday night, May 20, when a mass meeting will be held in the Wakelon School auditorium. Chairman Wilbur Debnam of the Finer Zebulon Steering Committee announced yesterday.

Plans for the mass meeting were made Tuesday night at a session of the Steering Committee held in the Municipal Building.

The groundwork has been laid for a successful program, Chairman Debnam said, and Attorney Frank Coiner will explain what has been done and the plans for the various projects at the mass meeting.

Suggestions Wanted

Following the presentation by Coiner, those attending will be asked for additional suggestions which may be incorporated in the plans.

The program for a Finer Zebulon is a community project, and it cannot be accomplished without the full support of everyone in Zebulon and Wakefield.

Much of the program, especially park improvement, will have to be done without financial assistance from the town. The money is not available, and it will be necessary for groups and civic organizations to sponsor certain parts of the projects.

Reports Made

At the meeting of the Steering Committee Tuesday night, attended by Mrs. A. S. Hinton, Norman Screws, Frank Wall, Ed Hales, Frank Coiner, and Chairman Debnam, reports were made by the Steering Committee of the project of beautifying the approaches to Zebulon, the cemetery, and sidewalk improvement.

Poppies to Be Sold Here by Auxiliary

"Wear a poppy to honor the war dead and aid war's living victims."

This is the appeal that will be made to everyone in Zebulon by the American Legion Auxiliary on Poppy Day, May 24. The local unit of the American Legion Auxiliary has received 1,000 poppies which will be sold on the streets of Zebulon on Poppy Day, Mrs. Ralph Bunn, poppy chairman, has announced.

The chairman has reported that these handmade poppies are bought from the hospitalized veterans in Fayetteville and will be sold to the public for contributions which will be used for the Auxiliary's work in behalf of disabled veterans and needy children of veterans.

Wakelon Handbook Now Being Printed

A Student Handbook, prepared for the guidance of incoming freshmen and information of the upper classes, is being printed this week from copy compiled by the Wakelon Handbook Committee, headed by Anne Allman. Other members of the committee include Alma Doris Doyle, Becky Brantley, and Jimmy Joyner.

The book is dedicated to Miss Irma Walker, "in grateful appreciation for the service which she has rendered to the council in her advisory capacity."

Armory Meeting Monday Night

Major General John Hall Manning, Adjutant General of the State of North Carolina, will meet with the Board of Commissioners of the Town of Zebulon on Monday night at 8 o'clock to describe the newly designed armories being constructed for National Guard units. The meeting will be held in the court room of the municipal building. The Board of Commissioners will take action on securing a site for the proposed armory Monday night, Mayor Worth Hinton said yesterday. Everyone interested in the armory is invited to attend the meeting.

Commission Sets Plans For Summer Recreation At Meeting Thursday

Plans for the summer recreation program were outlined at a meeting of the Zebulon Recreation Commission held on Thursday. Mr. Ralph Talton was re-elected Chairman of the Recreation Commission. Mrs. Eugene Privett was elected Secretary and Mrs. Fred Page was elected Treasurer.

The Rev. Carlton Mitchell, Dr. Ben Thomas and Mrs. Ralph Bunn were appointed as the Summer Activities Committee. The committee reported that Mr. James Fish would serve as Recreation Director for the summer program again this year.

Softball Program

Plans were outlined for the softball program. It was suggested that two leagues be operated this year. The first would be an open league of four teams without player restrictions. The second would be a "Bloop League" composed of local civic and other groups. The "Bloop League" would require that all pitches to the batter must arch, thus doing away with the highly competitive nature of the league. Other activities include a Little League for junior baseballers, a Girls League and others as might be needed.

Family Night

The summer program during the mornings will begin after Vacation Bible Schools have closed. Afternoon swimming and baseball will be under the direction of Mr. Fish. The evening program this year will include games under the lights installed for that purpose last year. A Family Night is planned for each week. Saturday night programs for the teenagers and others will be continued.

Services for Sunday Are Listed by Baptists

Members of the Zebulon Baptist Church and Sunday School who are graduating from Wakelon High School will be recognized at the morning worship service Sunday. The pastor will preach on the theme "Challenge and Response." The Adult Choir will sing Tkach's "To Thee We Sing" and Burnap's "Light of Life, Enlighten Me." The music will be under the direction of Miss Elizabeth Salmon. This will be Miss Salmon's last service as Minister of Music. She will leave on Monday for her home in Lemoyne, Pa., where her marriage to Mr. John Miller will take place on June 7.

Special Drills Held By National Guard

Special drills will be held each week for two sections of Zebulon's National Guard unit to speed the training between now and summer camp in July. Both the communications and survey sections will conduct special assemblies during the weekend for training which cannot be accomplished during the regular drill periods.

These split assemblies are authorized whenever facilities or time prevent the needed training from being carried out during regular scheduled drills.

On Saturday afternoon the communications section, under the supervision of Sgt. Talmadge Pearce, will meet on the Wakelon School grounds for instruction in climbing trees and poles using the climbing irons. During summer camp all telephone lines laid by the communications section must be overhead, and extensive experience in climbing is needed by all field linemen.

The newly-formed survey section will conduct its training on Sunday afternoon. At the present time Cpl. K. D. Lloyd and Pvt. Henry Kitchings form the section.

'Never Ride with a Woman' Is Moral of Story with Sad Ending

"That's what you get for riding with a woman," Kenneth E. Fulghum, 26, Fort Bragg soldier from Bailey, is reported to have said following the wreck Sunday morning in which he and the driver of a Rhode Island car were seriously injured. Fulghum was hitchhiking in Zebulon, was picked up by the woman, and both were hurt when the automobile they were riding turned over a half mile from town at Russell's Place.

Patricia Ann Carpenter, 21, of Pawtucket, R. I., the driver of the car, was fleeing police who were trying to stop her after she had driven off from a Spring Hope gas station without paying for a gasoline purchase.

Thrown from Car

Miss Carpenter was reported in "fair condition" at Rex Hospital in Raleigh. Both she and Fulghum were thrown from the overturning car. She suffered fractures of both legs, arm and hip lacerations, and a possible fracture of the pelvis and back.

The automobile ran off the pavement on the right, whipped across to the left of the highway, and then returned to the right, turning over three times, according to witnesses.

"Hear Our Prayer, O Lord."

Sue Richards is chief of the marshals for the Wakelon commencement exercises this year. The marshals will serve for the vesper service Sunday, the class night next Wednesday, and the Graduation Exercises to be held Friday, May 23.

Other marshals include Gayle Privett, Juanna Joy Mitchell, Bernice Edwards, Fan Green, Shirley Rogers, and Lucy Mae Blackley.
