

THE ZEBULON RECORD

Volume XXVII. Number 70.

Zebulon, N. C., Friday, June 6, 1952

Theo. Davis Sons, Publishers.

ARCHITECT'S DRAWING OF SINGLE-UNIT NATIONAL GUARD ARMORY

It is possible that Zebulon may have the armory pictured above within a year if the town will purchase a four-acre site, according to Major General John Hall Manning, Adjutant General of the State of North Carolina. Cost of the beautiful structure has been estimated from \$100,000 to \$125,000. It includes a large room 61x90

feet suitable for dances, meetings, and other community activities.

The architect's drawing shows the front of the spacious building, which is designed for a 200-man National Guard unit. It contains offices, class rooms, a kitchen, showers, and a supply and ordnance room.

The Town of Zebulon is obligated only to purchase the site and make water and sewer connections for the building. The State and Federal governments join in paying the construction costs of the building. Supervision and maintenance of building is a responsibility of the local unit commander.

Funeral Services Held Yesterday at Methodist Church for Mrs. Harris

Funeral services were held yesterday for Mrs. S. W. Harris, 71, who died Wednesday at 1 a. m., at the home of her son, S. M. Harris, in Wilmington after a long illness. The services, held at the Zebulon Methodist Church, were conducted by the Rev. S. E. Mercer, pastor, assisted by the Rev. Theo. B. Davis.

Burial was in the Zebulon Cemetery. The body lay in state an hour before the service.

Surviving are two sons, W. A. Harris, of Fountain, S. M. Harris, of Wilmington; a daughter, Mrs. F. D. Finch, of Zebulon, with whom she made her home; a sister, Mrs. J. R. Hankins of Winston-Salem; a brother, S. T. Chamblee of Red Oak.

Guard Maneuvers Set For June 8 by Bty. A

Sunday will mark the second full day of preparation for Battery A as it readies itself for the efficiency tests to be conducted at Ft. McClellan, Ala., in July. The National Guardsmen will meet at the armory at 8 o'clock Sunday morning for a full day of work.

Every section in the firing battery will participate in the training, taking time out to eat at Wakelon School at noon.

Every man in the Zebulon unit is expected for the extra drill, continuing Battery A's outstanding attendance record. Last month the local outfit achieved 100% attendance at every drill — the first time this has been accomplished in North Carolina.

Battery A will join the 113th Field Artillery Battalion at Camp Butner during the weekend of June 21-22 for carbine firing. This will be the second weekend of carbine work this summer for Battery A.

SOFTBALL SESSION

A meeting of all softball team managers has been called for Monday night at 8 o'clock at Wakelon School by Recreation Director Jim Fish. He urged representatives of civic clubs and other groups which can sponsor teams to be present.

The plans for the two leagues will be explained and game schedules made. Rules for both Blooper and Open Leagues will be made.

Teenagers to Gather At Old Courtroom Here For Saturday Parties

Teenagers of this community will be given an opportunity to direct to their own recreation program beginning Saturday night when a special meeting will be held in the old Recorder's Court room at the filter plant. The meeting will replace the Saturday night dancing and games which have been sponsored for the past year by the Zebulon Woman's Club.

The court room will be the site for the dances from now on, Recreation Director Jim Fish said yesterday. It will provide more room for the teenagers and can be developed into a very good place.

Used by Guard

At the present time, the court room is used only one night each week, by the National Guard on Monday night.

The teenagers will be encouraged to organize their own program and accept the responsibility of planning and carrying out Saturday night recreation.

If the program proves successful, it can be carried out on other nights of the week. Its possibilities are limited only by the energy and enthusiasm of the young people.

Town Board Lets Contract for Sidewalk Paving from Gannon Avenue to School

The contract for paving the six blocks of sidewalk from Gannon Avenue to Wakelon School was ordered awarded to Capital City Builders, Inc., of Raleigh by the Zebulon Board of Commissioners Monday night. The successful bid was \$4,160.80, according to Clerk Willie B. Hopkins. One other bid, by Sanford Construction Company, offered to do the paving for \$5,222.00.

Four Feet Wide

The paving will be four feet wide, four inches thick except at drives, where it will be six inches thick.

The problem of what to do with the power lines to the pumping station at Little River was solved by giving the lines to Carolina Power & Light Company in return for taking them down, the Commissioners hope.

Highway Order

The lines were built to Little River after the road was constructed years ago, and when the route was selected for the new paved

route for Highway U. S. 64, the poles were ordered moved by the highway department.

Cost excessive

Investigation by town authorities revealed the poles and copper power lines would sell for less than the cost of taking down the poles, so Howard Beck made the motion to give the poles, lines, and transformers to the power company as pay for taking the whole works down.

Two months ago the Commissioners asked Carolina Power and Light to provide power to the pumping station direct from its lines at Little River, eliminating the need for the 2½ miles of power line from the filter plant at Zebulon.

Cemetery Lots

A mixup in lots at the Zebulon Cemetery was straightened out when Elwood Perry was deeded Lot No. 11, Block 20 He had been deeded a lot already owned by Mrs. Betty Hales Perry.

R. L. Steele of Raleigh was

awarded the contract to audit the books for the Town of Zebulon at a cost not to exceed \$300.

Present at the meeting were Mayor Worth Hinton; Commissioners R. Vance Brown, Howard Beck, J. Raleigh Alford, R. Wesley Liles, and Philip Massey; Attorney A. R. House; and Town Clerk Willie B. Hopkins.

Zebulon Lions Winners Of Most District Prizes

The Zebulon Lions Club walked off with a lion's share of the trophies at the District 31-E convention held at Wrightsville Beach. Delegates from the local club were asked to stand time and time again to acknowledge the applause of the convention for their work during the past year.

The Zebulon group won a cup for having completed the most activities of any of the Lions Clubs in the district during the past year.

A cup was given Zebulon for achieving 100% attendance all during the past year, and the Zebulon Club placed second only to Wilmington for a plaque for club achievement. Wilmington had reported an increase in membership for eight months of the past year to edge the local Lions.

Honor Roll

For making the Governor's Honor Roll, the Zebulon Lions were awarded another plaque, and Secretary Alvin Beck was presented a special award for his work.

Permanent possession of the Jungle Prowler's Award was gained by the Zebulon Lions. The award is made to the club which earns the most points by visiting other Lions Clubs. Zebulon clinched possession by its recent trip to Fuquay where all but two of the local Lions visited recently.

Homecoming at Union Chapel

Union Chapel Baptist Church will observe its annual homecoming next Sunday, June 8. All former members and friends of the church are invited to attend the services and picnic dinner, the Rev. John F. Parker, pastor has announced. The day's program follows:

10:00 a.m.	Sunday School	G. L. Alford
10:50 a.m.	Response	S. P. Scott
11:00 a.m.	Announcements	
11:05 a.m.	Greetings and recognitions	Pastor
11:15 a.m.	Music and poems	Union Chapel Church
12:30 p.m.	Benediction	
1:00 p.m.	Lunch	
2:00 p.m.	Devotional	Elvera Creech
2:10 p.m.	Singing	
3:30 p.m.	History of Church	Julia Draughton
3:45 p.m.	Business and Benediction
