Four signs have been placed on the highways leading into Zebulon by the Zebulon Chamber of Commerce. Chairman Debnam said that community organizations which have their own signs on the highways will be urged to have smaller signs placed beneath the Chamber of Commerce sign.

## Rotarians Hear Carlton Mitchell

Most of youth's failings can be laid to the shortcomings of adults, Carlton Mitchell told the members of the Zebulon Rotary Club Friday night. The lack of understanding of youth on the part of adults is caused by the wrong approach, he said.

As people grow up, he added, they seem to think they pass from one stage of life to another like leaping from rock to rock in crossing a river rather than by going steadily through the stream.

Rotarian Phil Whitley of the Wendell club was a visitor for the program.

## District Governor Speaks to Lions Thursday Night

District Governor Paul Lyman spoke to the members of the Zebulon Lions Club last Thursday night at the regular meeting of the group held in the recreation room of the Methodist Church. He brought a report on the Lions International convention held in Mexico City.

The story of the convention and the work of Lions International proved extremely interesting to the local Lions, who have an outstanding record of service in the district.

Dr. Richard Springs, veterinarian, reported that many farm animals are dying mysteriously in neighboring communities. He said that he suspected toxophine to be poisoning the animals, but he has been unable to perform an autopsy because farmers sell their animals and will not allow an autopsy to be made.

The Lions Club urged him to make an autopsy as soon as possible, promising to buy and dispose of the dead animal.

Mack Hocutt was a visitor at the meeting.
