# Young Democrats Meet Smokey Says: Wednesday Night; Pou **Bailey Featured Speaker**

The Wake County Young Democratic Club will hold a Pre-Convention Rally in the Wake County Superior Court room in Raleigh on Wednesday night, according to Earl Purser, president of the group. The meeting will begin at 8:30 p. m.

James H. Pou Bailey, State Senator from Wake County, will make the principal address, Purser said yesterday.

Included in the business to be discussed is the county endorsement of Bedford W. Blacks' candidacy for the office of president of the North Carolina Young Demo-

endorsement, which was given at the last meeting of the Wake group, has been expressed by members of the club. These members will be given an opportunity to be heard at the meeting tomorrow night.

### **Sumors About Guard** Are Termed False

Six weeks remain before the isit of the Regular Army Inspector General, members of the Zebulon National Guard unit were told last night, and every drill between now and October 17 must be utilized to prepare the battery for the annual check.

The battery commander, Capt. Barrie Davis, declared that to his knowledge, no plans have been or are being made to take any unit of the North Carolina National Guard into Federal service. "We are continuing our preparation for next summer's 15-day field training',' he said, "just as we have during the three years Zebulon has had a Guard unit."

Each time the local battery has turned in obsolete equipment or received new material, rumors is eligible to enter. He may notihave been circulated that the fy any Wake County Lion mem-North Carolina National Guard is to be federalized.

The latest crop of rumors was spread when the old World War II 6x6 trucks were turned in last month. These trucks are being replaced with new GMC hydramatic drive trucks.

### Rain, Wind Hit Here Sunday Night

Heavy rain and hard winds struck Sunday and Sunday night as the first Florida hurricane of the season blew itself out as it traveled across North Carolina.

Damage reported late yesterday was light, limited to tree limbs and some crops. In Raleigh, however, the damage was heavier.
