

THE ZEBULON RECORD

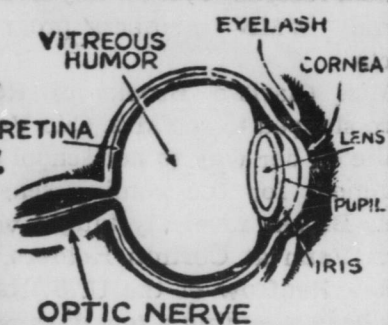

Volume XXVII. Number 99.

Zebulon, N. C., Tuesday, Sept. 9, 1952

Theo. Davis Sons, Publishers.

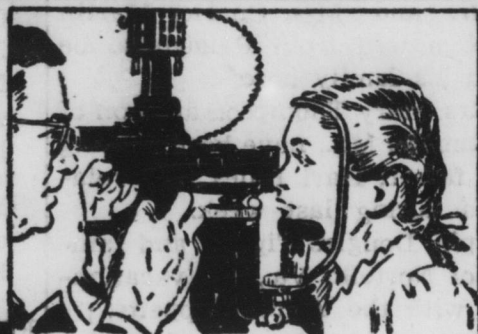

Seeing is Believing

HALF OF ALL THE SENSORY NERVES IN THE HUMAN BODY ARE CONTAINED IN THE NERVE BUNDLES OF THE TWO OPTIC NERVES THAT LEAD FROM THE EYES TO THE BRAIN.

TV VIEWERS WHO HAVE VISUAL DISCOMFORT CAN WEAR SPECIAL GLASSES WHICH REDUCE GLARE AND MINIMIZE EYE FATIGUE.

A PULLET WITH BRIGHT, NORMAL EYES WILL LAY MORE EGGS THAN ONE WITH SUNKEN EYES AND MISSHAPEN PUPILS. FOR IN HENS, AS IN HUMAN BEINGS, THE EYES ARE AN INDEX OF GENERAL HEALTH.

EYES MAY BE EXAMINED TO DETECT SIGNS OF VITAMIN A DEFICIENCY, SAYS THE BETTER VISION INSTITUTE.

Baptist Members Busy

Study, Kindergarten Planned

In cooperation with the "Church Mobilization Program" being followed by the local Baptist Church, the Sunday School will conduct a special program of study and inspiration on Thursday and Friday evening of this week at 8:00 o'clock.

On Thursday evening the pastor will use pictures made in the local church in a slide series designated to depict the nature of the Sunday School's responsibility. These are a part of a larger program which seeks to portray every phase of church life in a color slide series.

Study groups by departments for adults and children alike will be held on Thursday and Friday in connection with these devotional periods in direct preparation for the revival and the beginning of the new church year.

Kindergarten Date Set

The kindergarten operated at the Zebulon Baptist Church will begin classes on Tuesday morning, September 30, according to an announcement by Wilbur Debnam, chairman of the Kindergarten Board. Pupils who are four and

five years old will be enrolled for the kindergarten this year.

Mrs. Oleta Chamblee Smith will be the kindergarten teacher. A flexible curriculum has been marked out and the Calvert Course will be followed in a general way. The kindergarten expects to add to its library of supplies and books this year.

Letters to Be Sent

Mrs. George Henry Temple, Secretary of the Kindergarten Board, is mailing a letter to interested parents this week. She states that parents who are interested in enrolling their children should contact the church office during the morning hours before the school opens. The daily schedule will be in effect from nine to twelve o'clock. The regular school holiday schedule will be followed and the kindergarten will close the first of May.

On Orientation Program

Cloid Wade, Jr., will return to the Riverside Military Academy Thursday to aid in the orientation of new students.

Davis YDC District Chairman

Ferd Davis, member of the Board of Conservation and Development from Zebulon, was elected chairman of the Fourth District Young Democrats at their caucus at Greensboro last Saturday, attended by delegates from Wake, Johnston, Franklin, Nash, Chatham, Vance, and Randolph counties.

Davis was elected by acclamation when Earl Purser, president of the Wake County Democrats organization, withdrew his name in favor of the Zebulon man.

Mrs. Roy Coates of Smithfield was elected Fourth District vice chairman, and B. C. Smith of Pittsboro was elected secretary by the caucus.

In subsequent balloting at the state convention, Fourth District candidates captured three of the six statewide Young Democratic posts, Billy Harrison, 39-year-old Rocky Mount fertilizer dealer, is the new YDC state president; Betty Brewer of Raleigh is the new state vice president; and Harry Horton of Pittsboro is the new YDC national committeeman.

Opening Exercise Is Set for 9 a.m. Today For Rolesville School

The Rolesville School will have its official opening on September 9th at 9 o'clock in the high school auditorium.

The opening exercises will consist of a program by the local school board with J. R. Frazier as chairman and C. R. Blackley, Chester Poole and Morris Rogers officiating. This committee will welcome the faculty and student body and challenge the students and patrons to work toward a successful school year.

An extensive program of renovation has been in progress throughout the summer. The program has included general painting and repairs. Old equipment in the primary department is being collected and replaced prior to the opening of the new building and necessary supplies are being organized and assorted before various teachers report for duty.

The new building, though not quite ready for occupancy, will provide a modern, spacious lunch room and an all electric kitchen, together with six primary classrooms finished in pastel colors. The two first grade rooms are furnished with lavatories, toilets and private lockers. All floors are tiled and the ceilings are finished in modern, rough plaster. Plans are being made to complete all contracts, if possible, by the opening of school, but if the building is not ready for occupancy by then, it will be completed soon thereafter.

The Rolesville school faculties consist of the following:

High School

G. W. Davis, Principal, C. R. Breedin, Assistant Principal; Sarah G. Duncan, William Milton Nowell, W. J. Little, Jr., Lois Meekins Jackson and John L. Perkinson.

Elementary School

Carolyn Townsend Rose, Margaret Thomas, Eunice B. Applewhite, Cavelle O. Batten, Esther M. West, Mrs. Mary Lee Boyan, Mrs. Genedus Winston, Edna Jones Farnsworth, Martha Fuller, Frances P. Lyon, Louise R. Davis, Elizabeth S. Broughton.

Music Faculty

Mrs. W. J. Little, Jr., Ann Cox.

Cafeteria Staff

Mrs. Sam Wall, Mrs. Spruill Pulley, Clara Young, Mitt Young.

The price of lunches remains the same as last year—25c per plate, including milk.

School Nurse

Mrs. Ida Hall.

Bus Drivers

Arthur Ray Brown, William Roy Watkins, Rupert Haywood, Forest Broughton, Clem Mitchell, Roy Frazier, Charles Rogers.

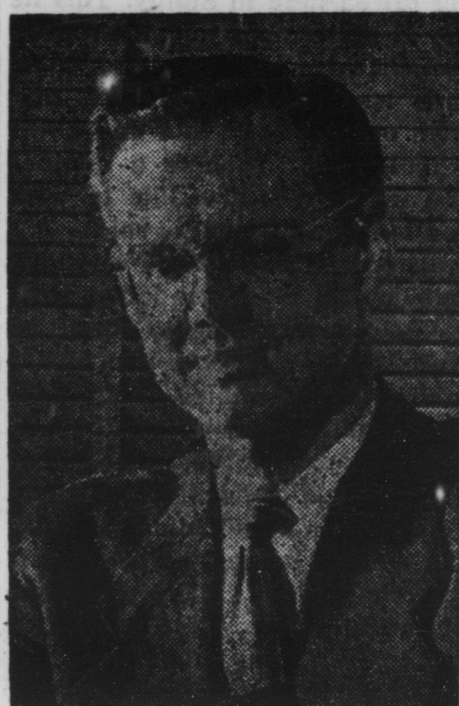

One of the buses is being replaced by a new bus with modern accessories. The extra bus that has been allotted to Rolesville has not yet arrived and until it does, the schedule will be the same as it was at the close of school. Bus routes have been properly surveyed and we solicit the cooperation of patrons and students to aid drivers every way possible in making the school year one of the safest ever.

School Board

J. W. Jordan, Chairman; C. R. Blackley, Chester Poole, J. R. Frazier, Norris Rogers.

The school regrets to lose Mr. Jordan from the school board and community due to the moving of his family to Cary where Mrs. Jordan will be Vocation Home Economics Director.

SPEAKER

Charles Wellborn, dynamic young pastor of Seventh and James Baptist Church, Waco, Texas, returns to the Baptist Hour the first of October. His theme for the full quarter will be "Blue Print for Christian Living."

Mr. Wellborn was heard on the Baptist Hour during the first six months of 1952, and he has been named by the Southern Baptist Radio Commission as speaker for nine months of 1953. He has been heard on this nation-wide broadcast more than any other one man.

A graduate of Baylor University and Southwestern Baptist Theological Seminary, Mr. Wellborn has had a wide and varied experience. He served in the Ski Troops during the war, and was twice decorated for heroism in action. He is a former professor of political science and of Bible at Baylor University, and has spoken in revival meetings and youth rallies all over America, and in several foreign countries.

Woodmen Plan First Fall Meeting Sept. 10

The Little River Camp of the Woodmen of the World will hold the camp's first fall meeting Wednesday night at 7:30 in the Zebulon Woman's Club building, according to Paul Strickland, Consul Commander.

The Woodmen are resuming their monthly meetings after suspending them during the summer months because of the heavy farm work. Claud Dunn is Financial Secretary of the group.

Faculty Complete

Mrs. Lillie J. Perry of Louisburg, will teach one of the sixth grades at Wakelon School, Superintendent W. R. Whittenton announced yesterday. Mrs. Perry completed the faculty for the school for this year.

Miss Roberta Deenis will again teach piano at the school, Mr. Whittenton said in answer to a number of inquiries received over the weekend.

About 800 students are expected to enroll at Wakelon today, making one of the largest student bodies in the history of the school.

Ellington Cites Grave Danger of Injury by Improper Tractor Use

Tractors are involved in over half of the farm machinery accidents, according to Ed Ellington, Wakelon Agriculture teacher. The principal(causes involve falling from, or being thrown off the tractor, overturning, unguarded power take-off shafts and violation of traffic rules when operating on the highway.

The National Safety Council points out that safe operation of the 3 million tractors now used on farms could save hundreds of lives and thousands of serious injuries annually.

You cannot afford to gamble the loss of a limb or life by operating without the power take-off shield in place. Carelessness in handling tractors around ditches can start a trip to the hospital. Jumping off a tractor or making adjustments while in motion is another way to invite an accident. You can easily lose a child by permitting children to operate or hitch a ride on tractors.

Never refuel a tractor while the motor is running or extremely hot. Avoid leaky fuel lines and accumulations of combustible materials near hot manifolds or exhausts. Store tractor fuels safely and always have a fire extinguisher available for an accidental fire.

When operating on the highway, always obey traffic rules and avoid excessive speeds.

Ralph Talton Makes Talk at Rotary Club

The rapid growth of the Carolina Power & Light Company was traced by Ralph Talton, manager of the Zebulon district office, for members of the Zebulon Rotary Club at the regular meeting of the group Friday night.

The customers and stockholders of the power company number in the thousands, Ralph stated, and the operations of the company extend from the mountains to the coast in North and South Carolina.

The explanation of how power companies up and down the country draw power from each other to distribute the peak loads proved very interesting.

Professor Plemmons, a teacher at the University of North Carolina, was a visitor for the meeting.

Gets M. A. Degree

Miss Irma Walker, Wakelon High School science teacher and student counselor, two weeks ago received her Master of Arts degree in Education and Guidance from the University of North Carolina.

The teacher is one of the most popular members of the Wakelon faculty and has assisted in the special education program at Wakelon.

Guard Unit Gets New Trucks

Two new GMC hydramatic trucks were brought to Battery A last Friday by Sfc. Johnsey Arnold and Cpl. B. B. Barham. These trucks, the latest type the army has purchased, are the first of nine expected by the local artillery unit.

Special instruction will be given drivers and mechanics in the operation of the new trucks by Lt. George Hinds and Sergeant Arnold.

A conversion kit is included with

each of the large trucks which enables it to move under 14 feet of water. Both the 3-4 ton truck and the jeep, previously received by the battery, are similarly equipped.

The chiefs of section continued preparations for their classes to be given during the visit of the Inspector General in October.

Drills before the visit of the Inspector General are scheduled for September 15, 22, and 29, and October 5 and 12. The IG visit will be Tuesday night, October 13.
