

# THE ZEBULON RECORD

Volume XXVII, Number 23.

Zebulon, N. C., Friday, December 19, 1952

Theo. Davis Sons, Publishers

## U.N. General Assembly Meets in New and Permanent Headquarters

Meeting for the first time in its new permanent home, the United Nations General Assembly opened its seventh session on 14 October, faced by the heaviest agenda in its history. This view of the first meeting shows United States Repre-

sentative Warren R. Austin addressing the Assembly. The gold-piped wall behind the speaker's podium with its sixty discs which will contain the coats-of-arms of Member Nations is an aesthetic as well as an acoustical achievement.

## Zebulon's Finer Carolina Entry Is Completed; Six Projects Included

### Christmas Edition To Be Next Week

The annual Christmas edition of the Zebulon Record will be printed next week for delivery to subscribers on Wednesday morning. Only one issue of the Record will be printed during the weeks of Christmas and New Year's days so that employees of Theo Davis Sons may have the holidays free.

The Christmas issue will feature a full page story of Christmas in two colors on the front, and Christmas greetings from progressive merchants and business men on the inside pages.

Merchants who have not been contacted about their greeting in the special edition are asked to call 4231 and the greeting books will be sent to the store for personal examination by the merchant. An excellent choice is available.

### CHAIRMAN

Robert Ed Horton, energetic secretary of the Zebulon Farm Bureau, has been named chairman of the committee appointed to make plans for the acquisition of a rural fire truck for this community.

### Community Building, Fire Truck Head Projects Submitted

Zebulon's Finer Carolina entry blank was submitted to Carolina Power and Light Company this week by Ed Hales, chairman of the Finer Carolina Steering Committee, and the entry listed six projects which will be attempted by the Zebulon community during the coming year. Chairman Hales said that the projects were chosen from a list of improvements needed in Zebulon without considering whether they can be completed during 1953.

The program is one of the most ambitious attempted by small town, and the cost of all projects probably will exceed \$60,000, if they are carried to completion.

The largest project, headed by H. C. Wade and Thomas Monk, calls for the construction of a community building at the park. This building will be large enough for banquets, dances, and all meetings. It will have a kitchen, play room, and toilet facilities. Included in the plans will be room for the Zebulon community library.

The second project, sponsored by the Zebulon Farm Bureau, calls for the purchase of a rural fire truck. Robert Ed Horton was named project chairman at a meeting of the Farm Bureau Board of Directors held Monday night.

Playground equipment for the park is the object of project three. Frank Wall is chairman.

Large scale plans for landscaping the park are included in the fourth projects. M. L. Hagwood will head the work.

Mrs. Ralph Bunn will serve as chairman of project five, which

(Continued on Page 8)

### Wakefield Baptist Services Are Listed

The Rev. L. Bland Taylor will preach at the morning services of the Wakefield Baptist Church Sunday at 11 o'clock. The public is invited to hear the Nashville minister.

## Zebulon Farm Bureau Votes To Sponsor Drive for Rural Fire Truck for Community

The members of the Zebulon Farm Bureau will sponsor a campaign to purchase a fire truck for the rural communities around Zebulon, according to a vote of the Farm Bureau Board of Directors during a special meeting held Monday night in the Municipal Building. The idea was presented by Ed Hales, chairman of the Finer Carolina Steering Committee for Zebulon, and the campaign will be one of the six projects entered in the Finer Carolina contest by the Zebulon community.

### Free Dental Work For School Pupils

The Wakelon PTA met at the Wakelon auditorium Monday night at 7:45. Mrs. Wilson Braswell presided and conducted the business portion of the meeting.

The report of the Executive Committee was read and plans were announced for the Wakelon pupils needing dental work to be treated free of charge at the University of North Carolina.

The committee to make the necessary arrangements includes: Mrs. Fred Page, Chairman, Mrs. Worth Hinton, Mrs. Harold Green and Mr. Ed Ellington.

The 6th grade presented a program of Christmas music and pantomime. The figures on the stage acted out the Christmas Story accompanied by background music lead by Miss Gonella and accompanied by Miss Deenis.

Other Christmas selections composed the balance of the program.

### Prison Show to Be Staged Here Tonight

A capacity audience is expected tonight for the presentation of the Central Prison Varieties in the Waelon School auditorium. The curtain will part at 8 o'clock for the show, which is acclaimed as one of the best shows of the kind ever staged. Profits from the show will be used by the Wakelon Parent-Teacher Association to help purchase an activities bus.

Mario Daone and His Rhythm Masters are the featured attraction of the variety show. This group has gained fame through its radio appearances.

Al Clodfelter is Master of Ceremonies, and the Hillbilly Hepcats enliven the proceedings.

President M. L. Hagwood appointed a committee to work out details and present plans for the acquisition of the fire truck at the January meeting of the Farm Bureau.

Named chairman of the committee was Robert Ed Horton. Others serving are Willie B. Hopkins, Dewey Massey, Raymond Pippin, Bubber Eddins, and M. L. Hagwood.

During the meeting Willie B. Hopkins reported on his visit to Apex, where a rural fire truck was purchased and put into operation by the Volunteer Fire Department last year. He described the truck and what he had found of the method used in financing its upkeep.

Several methods of financing the Zebulon rural fire truck were advanced, including the assessment of dues from all who wanted protection offered by the truck. The dues could be collected in several ways.

A second problem to be ironed out by the committee is the limits of protection to be offered by the fire truck. Two suggestions were offered: a five mile radius from Zebulon; and the area served by the Zebulon Farm Bureau.

It was brought out during the meeting that fire insurance rates are lower for places protected by fire trucks, and in many cases the savings in fire insurance can offset any fees charged to maintain the truck.

### Legion Turkey Shoot Planned for Saturday

The final turkey shoot of the season will be held at the Zebulon Airport on Saturday afternoon, December 20, beginning at 1 o'clock and continuing until dusk, according to Casey Stallings, who is in charge of the event.

The turkey shoots are sponsored by the Zebulon American Legion Post. This is the third shoot to be held this year, and a large crowd of shot gun experts is expected.

## Joint Christmas Meeting Is Held By Garden and Women's Clubs

The Womans' Clubs and the Garden Club held a joint Christmas meeting Tuesday night in the clubhouse. The entire club was beautifully decorated by members of the Garden Club.

Mrs. Lucille Pippin arranged a wreath for the front door. The dining table which featured a white arrangement of white satin ribbon shaped like flowers, sprayed with snow and mixed with greenery was also by Mrs. Pippin.

Mrs. Fred Hood arranged the mantel. Sprayed magnolia leaves, cedar, figurines, and an old fashioned lantern were used in this.

Mrs. Melvin Massey adorned the piano with a beautiful snow scene.

Mrs. Pippin arranged a memori-

al table using the madonna and child and dove all in white, in honor of the memory of Mrs. Guy Massey, Mrs. Charles Flowers, and Mrs. Theo. B. Davis.

The program was in charge of the Senior Club. Misses Sue Alford and Hazel Inrie each sang accompanied by Miss Hilda Morris. Miss Ruth Massey told a Christmas story.

The Junior Woman's Club served delicious refreshments of hot tea, sandwiches, Christmas decorated cakes, Christmas mints, and nuts. Hostesses were Mrs. Crafton Hudson, Mrs. Gilbert Beck and Mrs. Ed Ellington.

The Junior Club presented a beautiful set of sectional furniture and a table for the club house.

## Zebulon Folks Among 23 Examined At 125th Cancer Detection Clinic

Twenty-three persons were examined in the Cancer Detection and Diagnostic Clinics yesterday, when the clinics were held for the 125th time by physicians of Edgecombe and Nash Counties.

These clinics are held each Wednesday at 9:00 o'clock at the Municipal Building in Rocky Mount, and they are open only to persons forty years of age, and older, regardless of race or ability to pay.

The 23 persons examined consisted of: two white men, 15 white women, and six colored women. Only four of the examinees had been referred to the clinic by a physician.

Persons examined represented Rocky Mount and outlying areas, Williamston, Wilson, Red Oak, Battleboro, Whitakers, Greenville, Washington, Zebulon, Nashville, Elm City and Macclesfield.

In order that those who live at a distance may be sure of an examination when they come to the clinic and thus not make a trip in vain, priorities will be issued on request to anyone living twenty miles or more from Rocky Mount. Requests for these priorities should be addressed to: Cancer Control Center, Municipal Building, Rocky Mount, North Carolina.

These clinics are operated by the Edgecombe-Nash Medical Society, in cooperation with the State Board of Health, and the local chapter of the American Cancer Society. They are being operated on a non-permanent basis as an educational feature and public service.

The Detection Clinic, although open to anyone, is primarily for service to the local public; but the Diagnostic Clinic is designed to service the population of Northeastern North Carolina.
